NOVEMBER 2011 RUNOFF ELECTION

NOTICE OF AUTOMATIC ELECTION TABULATING EQUIPMENT AND PROGRAMS TESTING

Notice is hereby given that on Thursday, Nov. 3, at 9 a.m. the Logic and Accuracy Test of the automatic tabulating equipment and programs that will be used for the November 2011 city of Phoenix Runoff Election will be conducted in accordance with applicable election laws of the City of Phoenix and State of Arizona.

This test will be conducted at 149 N. 4th Ave., first floor, Phoenix, Arizona.

CLOSE OF EARLY VOTING
VOTING AT VOTING CENTERS

The last day to vote early in the city of Phoenix Runoff Election is Friday, Nov. 4. In this election, registered voters who reside in the city of Phoenix will elect a mayor and voters in Districts 1 and 5 will elect a council member. This election is required by the City Charter because no candidate for these offices received a majority of the votes cast in the August Election.

The deadline to register to vote in these elections was Monday, Oct. 10.

Separate Elections on November 8
Maricopa County also will be conducting an election for several school districts within the city of Phoenix on Nov. 8. There will be separate ballots for the two elections. Voters may vote by mail, or at the polls, in either election. More information about these two elections can be found below.

Early Voting by Mail
Voted early ballots for the city election must be mailed or delivered to the City Clerk Department so that they are **received** by 7 p.m. on Election Day (Tuesday, Nov. 8). If you return your ballot by mail, be sure to allow sufficient time for delivery by Election Day. Voters may also deliver their voted early ballots to early voting locations or to any city voting center on Saturday, Nov. 5, Monday, Nov. 7, or on Election Day, Tuesday, Nov. 8, before the polls close at 7 p.m. Voters may also return a voted early ballot for the City Runoff Election to any Maricopa County polling place.

Early Voting Locations and Accessible Voting Equipment
Several early voting sites are available on Oct. 22 and Oct. 29 for voters to cast an early ballot or exchange a damaged or spoiled early ballot for the city election. Any voter may cast an early ballot at any of these locations. Accessible voting devices that allow voters with disabilities to vote independently also are available at these sites. The list of locations, along with the schedule, can be found in the Sample Ballot Pamphlet as well as on the Internet at **phoenix.gov/election.**

Voting at the Polls
City Election: The city of Phoenix Runoff Election will be a Voting Center Election. Any City voter may vote in the city election in person at any of the 26 Voting Centers on Saturday, Nov. 5, Monday, Nov. 7, or Tuesday, Nov. 8. A list and map of the Voting Centers along with the hours of operation are available on the Web at **phoenix.gov/election** and in the Sample Ballot Pamphlet sent to each registered voter household in early October. For additional assistance locating a voting center that is convenient, voters can call the Election Information Line listed below. CITY VOTERS WHO DO NOT VOTE BY MAIL ARE ENCOURAGED TO VISIT ANY ONE OF THE 26 VOTING CENTERS ON SATURDAY, NOV. 5, AND MONDAY, NOV. 7, TO VOTE IN THE RUNOFF ELECTION because most polling places for the school district elections will be different than the city's Voting Centers on Election Day.

County / School District Election: The school district election conducted by Maricopa County will be a traditional polling place election, which requires voters who vote at the polls to go to their designated polling place. The polling places will be open on Tuesday, Nov. 8, (Election Day) from 6 a.m. to 7 p.m. Refer to the information provided by Maricopa County or the school district for polling place locations. Voters may also locate their County polling place on the Internet at recorder.maricopa.gov/pollingplace/pollingplace.aspx or by calling 602-506-1511.

Voter Identification at Voting Centers
Each voter must show proof of identity at a voting center before receiving a ballot. Specific forms of photo or non-photo identification with the voter's name and address are required. The acceptable forms of identification are listed at **phoenix.gov/election** and in the Sample Ballot Pamphlet.

Voters who do not present acceptable identification may vote a Provisional Ballot at a voting center, but may be required to present acceptable identification to an election official by 5 p.m. on the third business day after the election.
