

CITY COUNCIL

Program Goal

The City Council is composed of eight council members elected by districts on a nonpartisan ballot. Four-year terms for council members from odd-numbered districts expire in January 2008. Terms for council members from even-numbered districts expire in January 2010. The City Council serves as the legislative and policy-making body of the municipal government and has responsibilities for enacting city ordinances, appropriating funds to conduct city business and providing policy direction to the administrative staff. Under the provisions of the City Charter, the City Council appoints a city manager, who is responsible for carrying out its established policies and administering operations.
