

# Environmental Programs

## Mission Statement

The Office of Environmental Programs advances environmental protection and sustainability by promoting sound environmental policies and practices through leadership, education and technical and regulatory assistance. We value diversity, excellence, teamwork and innovation.

## Key Services

Environmental leadership, outreach, education and training, program and project management

## Training Completed

<b>Target: 625 persons</b>	<b>YTD Total: 1692</b>
----------------------------	------------------------

**Goal:**  
Conduct training, outreach and education activities that foster environmental stewardship

**Target:**  
625 city employees and consultants

**Significance:**  
The target is based on historic data, laws and regulations, enforcement actions against the city, and environmental initiatives. Actual number of staff trained each year is impacted by department requests and staff availability.

## Environmental Facility Assessments

<b>Target: 65 facilities</b>	<b>YTD Conducted: 78</b>
------------------------------	--------------------------

**Goal:**  
Conduct facility assessments to facilitate compliance and identify pollution prevention opportunities

**Target:**  
65 facilities

**Significance:**  
Departments are assessed on a cyclical basis. The annual and monthly variance will depend on the amount of facilities of the department being assessed.
