

Block Watch and PNP Open Briefing Days

**Tuesday, November 3, 2009
&
Saturday, November 7, 2009**

Cactus Park Precinct and the Beuf Substation is opening all patrol briefings on Tuesday, November 3rd and Saturday, November 7th to Block Watch, Phoenix Neighborhood Patrol (PNP), and Community Groups. Neighborhood groups will have the opportunity to attend any patrol briefing during all three shifts.

This forum provides the community and patrol officers an opportunity to discuss beat activities, community concerns, and become better acquainted with the citizens that reside within Cactus Park Precinct neighborhoods to strengthen our community policing philosophy.

****Security issues necessitate requiring all attendees to pre-register for this event. On the date of the event, you will be required to show your state issued drivers license or identification to precinct personnel that will verify you are on the attendance list prior to allowing you access to the facility. Only those individuals on the list will be permitted to attend. All attendees will be required to pass the same security clearance as required for a ride-along. Please sign up through your respective CAO to attend this Event.***
