Volunteer

[Neighborhood Teens Volunteer \(NTV\)](#) is a youth pilot program to get teens engaged in the community through volunteerism and leadership. We strive to create a safe and supportive environment for teens to share their needs in the local community, gain knowledge about it, and become involved. This program seeks to address the effects of poverty on youth by partnering NSD and PXU to share resources with students and schools, so that in turn schools may provide resources and opportunities for students and families, as well as fostering community cohesion and garnering support from businesses and non-profits.

Some of the opportunities we are trying to create for students, include, learning new skills or hobbies, outdoor gardening, group field trips, and leaders hip training.

Member Highlight:

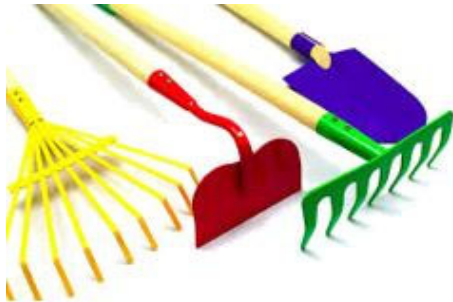

A meriCorps VISTA Member Samantha López

Phoenix native Samantha López always dreamed of becoming a researcher and community advocate. After starting college up in northern Arizona, surrounded by pine trees, hiking trails and glorious weather, she quickly realized how much she favored working outdoors and being with the community. Through a partnership between [HandsOn Greater Phoenix and AmeriCorps VISTA](#), López landed a service year with the [Neighborhood Services Department](#) (NSD) as a Volunteer Recruiter, tasked with creating a pilot program to encourage and recruit teens in the Phoenix Union High School District (PXU).

"From a young age, children are very capable and desire to contribute to the community. I believe in giving them the power and resources to make a difference," said López."

If you are interested in youth volunteerism or learning more about our program, please see our website [Neighborhood Teens Volunteer](#)

TOOL LENDING PROGRAM

Did you know the Neighborhood Services Department has a tool lending program?

Neighborhood Cleanups & Tool Lending

Keeping your community looking great is dirty, yet rewarding work! The Tool Lending Program is offered to residents and community groups for cleanup events at no charge. Any [neighborhood group or Block Watch](#) listed with the Neighborhood Services Department may receive paint, and borrow supplies and clean-up tools to improve their neighborhood. To borrow equipment, get paint or reserve a paint-sprayer, [sign up for the next training class](#) or [reserve tools](#) for your next neighborhood clean-up.

Paint Sprayer Training

Learn how to keep your neighborhood graffiti-free by using a paint sprayer (which you can use for free after completing the workshop), tour the warehouse and see other tools and supplies available to residents.

To register, call 602-534-4444.
