

TOWNSEND PARK PUBLIC MEETING
Burton Barr Library
August 12, 2008

Meeting Minutes

Genesis Project

The Genesis Project is a charter high-school providing education and wrap-around services to students and their families. Located at 525 E. McDowell, the school abuts the Townsend Park, located at the intersection of McDowell and 5th Street.

Genesis Executive Director, Karen Callahan presented a proposal to improve the park as part of their school remodeling. The project includes a basketball court, new shade trees and a water fountain.

Review of Form-Based Code standards for the Townsend Park Character Area

- Proposed non-residential uses for Townsend Park East, including East Evergreen Historic District
- Proposed land-uses for areas west of and on 3rd Street
- Proposed Streetscape Sections

Due to a scheduling conflict and low attendance, discussion of these vital Form-Base Code elements was postponed and will be reviewed during the next meeting on September 8, Burton Barr Library, Meeting Room A, 6:00 pm. Location: 1221 N. Central Avenue.
