Police Arrest Central Phoenix Commercial Burglary Suspect

Police arrested a suspect who they believe is responsible for a pair of commercial burglaries that occurred in the Central Phoenix Corridor.

On October 25, 2022, Phoenix Police officers were dispatched to a commercial burglary call in the area of Central Avenue and Virginia Avenue. When officers arrived, they learned from the reporting party that an unknown man broke into their building the night before and stole multiple items.

The officers were shown an image of the building's surveillance footage and saw an unknown man leaving the office building just before 7 p.m. on the evening of October 24th. The officers collected evidence from the scene and were told they would be provided a copy of the video surveillance at a later time.

On the night of October 26th, a patrol officer viewed a news story displaying a released image of the surveillance video. The officer recognized the man in the image as a suspect that was arrested earlier in the day for another unrelated commercial burglary.

The officer researched the arrest and learned the suspect, 36-year-old Daniel Mota Dos Reis, was still in jail but would soon be released. The officer contacted the jail and was able to re-arrest Dos Reis.

Detectives later learned Dos Reis had the previously stolen property with him at the time he was originally arrested. The recovered stolen items were returned to the victims.

Dos Reis was booked on one count of Third-Degree Burglary.
