Motorcycle Rider Dead After Collision in West Valley

(July 16, 2023) Phoenix Police Detectives are investigating a late evening collision that left a motorcycle rider dead.

On July 15, 2023, at 8:05 p.m. officers responded to the area of 29th Avenue and Indian School Road regarding a collision involving a motorcycle. When officers arrived, they located the adult male motorcycle rider, identified as 31-year-old Marvin Nixon, with serious injuries. Nixon was transported to a local hospital where he did not survive his injuries and was pronounced deceased. Two additional vehicles were involved in the collision, both of which remained on scene.

Detectives responded to take over the investigation. Preliminary information suggests that Nixon was traveling west on Indian School Road when his motorcycle struck a vehicle turning north onto 29th Avenue from eastbound Indian School Road. Debris from the collision struck another vehicle in the area. Speed is likely a factor in this collision. Other details about the collision remain part of the ongoing investigation.
