Pedestrian Killed in West Phoenix Crash

(November 11, 2023) Detectives took over a fatal collision investigation in west Phoenix where the victim was hit inside a marked crosswalk while walking against the signal.

Phoenix Police responded to the intersection of 83rd Avenue and Osborne Road at about 6:07 p.m. on November 10, 2023, for a serious collision. Officers got to the scene and found a man, identified as 29-year-old Giovany Escobedo, suffering from serious life-threatening injuries. Escobedo was treated on scene by Phoenix Fire; however, he was not able to survive from his injuries.

Detectives responded and learned that the victim was walking in the marked crosswalk against the signal when he was struck by a passing car. The initial collision caused Escobedo to fall at which time he was struck by an unknown number of other vehicles.

The adult male driver of the first involved vehicle stayed on scene and showed no signs of impairment. Additional details related to the incident remain part of the ongoing investigation.
