Victim: Adult male, deceased

Pedestrian Killed in Hit and Run Crash

(September 10, 2023) Detectives are investigating a fatal collision involving a pedestrian who was walking across a marked crosswalk Saturday night in west Phoenix.

Phoenix Police responded to the intersection of 59th Avenue and Camelback Road late Saturday night on September 9, 2023, to take over a fatal collision from Glendale Police. During the initial investigation by Glendale Police, it was learned the origins of the collision occurred in the City of Phoenix. Detectives with Phoenix Vehicular Crimes Unit responded to take over the investigation.

Detectives learned from witness that an adult male driver was going north on 59th Avenue and failed to stop for the red light at Camelback Road. While driving through the intersection, the man hit the victim who was in the crosswalk on the south side of Camelback Road. Fire personnel responded and pronounced the victim deceased on scene.

As the suspect continued to drive, he struck a westbound car occupied by two women before crashing into a bus stop just north of Camelback Road. The male driver was seen running from the scene while an adult female passenger stayed in the truck suffering from serious non-life-threatening injuries. The female passenger was taken to the hospital for follow up care.

Detectives are actively seeking the suspect in this case. Anyone with information leading to an arrest will be eligible to receive a cash reward by calling in an anonymous tip to Silent Witness at 480-WITNESS or 480-TESTIGO.
