Collision Leaves One Dead One Hospitalized

(February 8, 2023) Phoenix police detectives are investigating a fatal collision involving multiple vehicles and multiple pedestrians that happened Wednesday at the intersection of 23rd Avenue and Northern Avenue.

On February 8, 2023, just after 1:10 p.m., Phoenix police responded to 2300 West Northern Avenue regarding a large collision. When officers arrived, they located two pedestrians who were injured. An adult female pedestrian was transported to a local hospital with non-life-threatening injuries. An adult male pedestrian received severe injuries and was pronounced deceased on scene by Phoenix Fire. There were three vehicles involved in the collision. One of the drivers of a vehicle involved ran from the intersection.

Detectives responded to take over the investigation. Preliminary information indicates the three vehicles were involved in a collision at the intersection. After the collision, one of the vehicles traveled off the roadway and struck an adult male pedestrian who was on a sidewalk. A second vehicle involved in the collision also traveled off the roadway and struck an adult female pedestrian who was also on a sidewalk. The cause of the initial collision and information related to the driver who left the scene is part of an ongoing investigation.
