## **Suspect Arrested After Shooting at Officers**

Phoenix police have arrested 38-year-old Harry Denman after he shot at officers while in a parking lot at 59<sup>th</sup> Avenue and Buckeye Road.

Late Thursday night, on October 27, 2022, a two-person unit was leaving a parking lot of a local business when an adult male identified as Harry Denman began to talk with them. The officers were in the process of leaving to respond to a call and explained that to the man.

As the officers were backing out of the parking spot, Denman pulled a handgun and fired two rounds at the officer's patrol car. Denman then ran into the occupied business at which point officers followed him inside. Once inside, the officers had a physical confrontation with Denman before he was taken into custody. Denman was placed under arrest.

Mr. Denman suffered injuries and was taken to a local hospital for medical attention. He was then booked into jail. Both officers were uninjured during this incident.

An investigation is underway into how Denman sustained his injury.

Detectives have taken over the investigation.
