

THE  
**FUTURE**   
IS PHOENIX

## Public Safety Super Bowl Preparations

While the Valley gets ready to welcome Super Bowl LVII, the City of Phoenix has been preparing for the big game for the past two years. Every day, Phoenix Fire and Police work hand in hand to protect and serve our city. The agencies are now excited to showcase joint preparations for the big game.

Phoenix Police and Fire will have subject matter experts from both agencies available for interviews and visuals. The intent of this media availability is to provide displays of some of the resources that will be deployed during Super Bowl along with the appropriate SME for that topic. These are interviews you can keep “in the can” and sprinkle throughout your Super Bowl coverage from now until game day. These SMEs will be unavailable and mobilized starting at the end of next week, so this is your chance!

Stations and SMEs include Phoenix Fire Medical Carts, Drone Team, Fire Prevention, Phoenix Fire Emergency Response Staffing Office, Phoenix Police EOD/Bomb Squad, HEAT/Human Trafficking, Counterfeit Merchandise, Transit, Intelligence Unit, Investigations/EOD support, and more.

**When:** Tuesday, January 24<sup>th</sup> 1:00pm - 2:00pm

**Where:** Phoenix Fire Training Academy Main Entrance  
2425 W. Lower Buckeye Rd. Phoenix, AZ 85009
