Serious Injury Collision

(December 16, 2023) Phoenix police detectives are investigating a collision that left several teens with various degrees of serious injuries.

On December 15, 2023 around 4:00 p.m., officers responded to a call of a collision near 19th Avenue and Pima Street involving a van and car. The van was occupied with two adults and four juveniles. They were all transported to the hospital with non-life-threatening injuries. The car was occupied with four teenagers. They were all transported to the hospital with serious injuries.

Detectives responded to take over the investigation. Early information indicates the van was going east on Pima Street and the car was going south on 19th Avenue when they collided. There were no signs of impairment for the driver of the van. Impairment is unknown for the driver of the car.

Details about what led up to the collision remain part of the ongoing investigation.
