## **Undercover Operation Leads to 16 Child Crimes Arrest**

The Phoenix Police Department Human Exploitation and Trafficking (HEAT) Unit recently partnered with the Phoenix Police Department Internet Crimes Against Children (ICAC) Unit, Tempe Police Department, Mesa Police Department, FBI, Homeland Security Investigations (HSI), and the Maricopa County Attorney's Office for Operation Tangled Web. This undercover operation targeted the demand for child sex crimes and human trafficking. Throughout the operational period, undercover detectives placed ads on websites commonly sought out by suspects seeking illegal sex acts. The suspects allegedly solicited and/or brokered deals for various sex acts and were subsequently arrested.

The Phoenix Police Department routinely conducts operations of this type with our local, state and federal partners in a continuous effort to reduce the demand that fuels child sex trafficking and the exploitation of children in our community. The following suspects solicited various sex acts from minors and were arrested.
