Aggravated Assault on a Police Officer / Officer-involved shooting

On March 8, 2021, at approximately 2:00 p.m., Phoenix Police Community Action Officers, a Neighborhood Services Division (NSD) employee and volunteer landscapers were at a home near 48th Avenue and Country Gables Drive to provide yard maintenance services to the homeowners due to their bushes and trees being overgrown. While speaking with the male homeowner outside, the female suspect walked out of the residence and was armed with a gun. She then shot at officers and yelled at them as she retreated back into the house.

The officers were able to move the male homeowner to safety. The female then exited the residence a second time and pointed the gun at an officer. That officer fired at the female causing her to walk into the fenced area (yard).

Officers attempted to communicate with the suspect, but she refused to exit the residence. Officers from the Special Assignment Unit responded and after several hours, the female was arrested when gas and less lethal rounds were used.

The female suspect was transported to the hospital for non-life-threatening injuries and will be booked on charges related to the shooting once she is released. There were no injuries to officers or other community members.
