## DISASTER SUPPLIES KIT FOR AN EMERGENCY

Make sure your emergency kit is stocked with the items on this checklist. Most items are inexpensive and easy to find and any one of them could save your life. Also consider what unique needs your family might have, such as supplies for pets or seniors.

## KIT STORAGE LOCATIONS

Since you do not know where you will be when an emergency occurs, prepare supplies for home, work and cars.

Assemble items in airtight bags and place your entire disaster supply kit in one or two easy-to-carry containers such as plastic bins or a duffel bag.
