

City of Phoenix Underlying Bond Ratings

The City's bonds are rated by two major rating agencies, Moody's Investors Service and S&P Global Ratings, a Standard and Poor's Financial Services LLC business. In addition, Fitch Ratings has rated the City's General Fund Credits. The following table presents the underlying ratings assigned to the City's bonds. Best efforts will be made to update the ratings in a timely manner; however, please check the rating agency websites for the most up-to-date information.
