

CITY OF PHOENIX

Distributed Antenna System at PHX Request for Proposals (RFP)

The City of Phoenix Aviation Department anticipates releasing **RFP AVN15-102** for a Distributed Antenna System at Phoenix Sky Harbor International Airport (PHX).

RFP documents are expected to be available September or October 2014.

Once issued, **RFP AVN15-102** may be obtained by visiting www.phoenix.gov/solicitations. To be notified by email when the RFP is available please email your name, company name, telephone, and the name of this RFP to busopps.aviation@phoenix.gov. Although the Aviation Department sends courtesy email notifications, interested parties are responsible for monitoring www.phoenix.gov/solicitations for business opportunities.
