Public Housing Program

With the release of guidance for the Housing Opportunities Through Modernization Act (HOTMA), the Housing Department will implement Sections 102 and 104 in Fiscal Year 2024-2025, including sections impacting eligibility, selections and admissions. The Housing Department plans to implement all areas required no later than January 1, 2025, allowing for changes to software to be upgraded and updated for compliance. Currently HUD does not have their software program ready and is also still working with the software vendors for HOTMA implementation. If the HUD extends the implementation date, there is a delay in software updates, or if HUD offers a waiver, the Housing Department reserves the right to implement at the later date. The Admissions and Continued Occupancy Policy (ACOP) has been updated to reflect these requirements and can be accessed online at [Housing Brochures/Reports \(phoenix.gov\)](https://www.phoenix.gov/housing/brochures-reports).

Required and optional requirements included in Sections 102 and 104 include and outlined in sections

7.4 and [Housing Brochures/Reports \(phoenix.gov\)](https://www.phoenix.gov) of the ACOP include:

Section 7.4:

5. Applicants and Public Housing resident households are not eligible for assistance if:

- 5.1 The family net assets exceed \$100,000 ([24 CFR 5.618](#)); or
- 5.2 The family has a present ownership interest in, a legal right to reside in, and effective legal authority to sell, based on state or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence.

This restriction does not apply to:

- 5.2.1 Any property for which the family is receiving assistance for a manufactured home or under Homeownership assistance through the HCV Program from a PHA;
 - 5.2.2 Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family if the non-household member resides at the jointly owned property;
 - 5.2.3 Any person who is a victim of domestic violence, dating violence, sexual assault or stalking; or
 - 5.2.4 Any family that is offering such property for sale.
- 5.3 A property will be considered suitable for occupancy under this section unless the family demonstrates that it:
- 5.3.1 does not meet the disability-related needs for all members of the family (ie., physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation, etc.); or
 - 5.3.2 is not sufficient for the size of the family; or
 - 5.3.3 is geographically located so as to be a hardship for the family (ie., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by the Housing Department; or
 - 5.3.4 is not safe to reside in because of the physical condition of the property (ie., the property's physical condition poses a risk to the health and safety and the condition of the property cannot be easily remedied); or
 - 5.3.5 is not a property that a family may reside in under the state or local laws of the jurisdiction where the property is located.

Section 8 Housing Choice Voucher Program

The HCV program clarified Section 7.4 Allowable Housing Types of the Administrative Plan, which indicates Shared Housing is a permissible housing option that may be made available to participants, in accordance with HUD PIH Notice 2021-05.

The HCV Program clarified Chapter 12 Emergency Housing and Stability Vouchers of the Administrative Plan. The Housing Department applied to HUD for available allocation of Stability Vouchers (SVs). The Housing Department plans to administer the SVs serving homeless, at-risk of homelessness, those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking, and veterans and families that include a veteran family member that meet one of the proceeding criteria. If awarded, Stability Vouchers (SVs) will operate in the same manner as the Housing Department's tenant-based voucher program except as otherwise provided in the applicable HCV Administrative Plan chapter.

Housing Department will implement HOTMA Sections 102 and 104 in Fiscal Year 2024-2025. The Housing Department plans to implement all areas required no later than January 1, 2025, allowing for changes to software to be upgraded and updated for compliance. Currently HUD does not have their software program ready and is also still working with the software vendors for HOTMA implementation. If HUD extends the implementation date, there is a delay in software updates, or if HUD offers a waiver, the Housing Department reserves the right to implement at the later date.

Deconcentration Policy

Since July 2003, during the development of the Housing Department's Annual Plan each year, the Housing Department will calculate the average family incomes at all its developments and prepare an analysis, in accordance with HUD regulations and guidelines, which identifies whether any of the developments are outside of the established income range set by HUD. It is the Housing Department's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. If the annual deconcentration analysis reveals that there are developments that would be subject to deconcentration strategies, the Housing Department may skip families on a waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminating manner. The Housing Department will affirmatively further fair housing, utilize the Assessment Tool and market its entire housing portfolio accordingly.

Waiting List

The Housing Department closed the waiting list for AMP 003, the Luke Krohn/Sidney P Osborn project awarded the Choice Neighborhoods Grant, effective September 30, 2019, and allowed mailed applications to be received through October 3, 2019. The waiting list was closed due to the wait time and relocation efforts, in accordance with the Admissions and Continued Occupancy Policy and federal regulations.

The Housing Department accepted pre-applications for the HCV wait list from September 12 through 26, 2023. The pre-applications were accepted electronically through the Emphasys MyHousing Portal, by mail, fax, email, and in-person at the HCV Office. The HCV Office hours were extended to assist individuals with the pre-applications on Tuesday and Thursday evenings and weekends during the pre-application period. Additional assistance during this period was provided with a dedicated phone line and email address to respond to pre-application inquiries.

The Housing Department provided applications for Limited English Proficiency families in the following languages: Spanish, Vietnamese, Chinese Mandarin, Chinese Cantonese, Korean, Swahili and Arabic (paper format only for Arabic due to software translation limitation). Translation of the pre-application for the hearing impaired and other spoken languages was made available through the Language Line service. Alternate formats for the application were provided for the visually impaired including large font and braille.

All pre-applications completed and successfully submitted (electronically, in person, or post-marked) by September 26, 2023, were placed on the waiting list in a random order generated by the housing software, Emphasys Elite. More than 43,000 pre-applications were submitted during the pre-application waitlist opening.

The Housing Department closed the waiting list for AMP 8, the Scattered Sites Housing Program effective July 31, 2020, due to the wait times, in accordance with the Admissions and Continued Occupancy Policy and federal regulations.

The Housing Department closed the waiting list for AMP 007, Pine Tower Apartments, effective March 1, 2022, due to the RAD transition, in accordance with the Admissions and Continued Occupancy Policy and

federal regulations.

Currently HUD does not have their software program ready and is also still working with the software vendors for HOTMA implementation. If the

HUD extends the implementation date, there is a delay in software updates, or if HUD offers a waiver, the Housing Department reserves the right to implement at the later date.

The Admissions and Continued Occupancy Policy has been updated to reflect these requirements and can be accessed online at [Housing Brochures/Reports \(phoenix.gov\)](https://www.phoenix.gov/housing/brochures-reports).

Required and optional requirements included in Sections 102 and 104 include, but are not limited to:

Section 7.4:

5. Applicants and Public Housing resident households are not eligible for assistance if:

- 5.1 The family net assets exceed \$100,000 ([24 CFR 5.618](#)); or
- 5.2 The family has a present ownership interest in, a legal right to reside in, and effective legal authority to sell, based on state or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence.

This restriction does not apply to:

- 5.2.1 Any property for which the family is receiving assistance for a manufactured home or under Homeownership assistance through the HCV Program from a PHA;

 - 5.3.2 is not sufficient for the size of the family; or

Chapter 12 Income, Assets and Deductions, including but not limited to: Income, Exclusions from Income and Deductions from income; Assets, Asset exclusions and Limitation on Asset Resources and Adjusted Income. Rent exceptions are detailed in section 14.6. Please see ACOP for full compilation of HOTMA changes [Housing Brochures/Reports \(phoenix.gov\)](https://www.phoenix.gov/housing/brochures-reports). The software program is not ready for HOTMA implementation, if this happens prior to January 1, 2025, we reserve the right to implement after all software is updated, tested and approved.

Additionally, Appendix I: Glossary, Appendix II: Acronyms and Appendix III: Acceptable Sources of Verification have been updated. Appendix IV: Excluded Income and Appendix V: Excluded Assets have been added.

Section 8

Section 8 Administrative Plan will be changed to reflect HOTMA. The COPHD will implement HOTMA requirements no later than January 1, 2025. The COPHD will establish the Compliance Date based on its housing software ability to submit the Family Report HUD Form 50058 to the new HIP repository.

Operation and Management

The Housing Department implemented the MyHousing Portal module to its business system, Emphasys Elite, in August 2022. The MyHousing Portal provides prospective applicants the opportunity to submit applications electronically, as well as make changes and update reported information, as needed. Additionally, the Housing Department may implement an electronic annual and interim recertification portal, which if implemented, will allow participant families additional flexibility in completion of the required processes.

The Housing Department continues to facilitate communications through the ONE CALL NOW system. This system provides email and voice messaging as a means to communicate important information quickly. This rapid broad dissemination of information is essential during the pandemic to keep everyone informed regarding changes to operations, implementation of waivers, etc. Although the Department has returned to regular operations as of November 1, 2022, the Department continues this form of communication with residents.

Violence Against Women (VAWA) Policy

The Violence Against Women Reauthorization Act of 2013 (Public Law 113-4, 127, Stat. 54), Title VI, entitled "Safe Homes for Victims of Domestic Violence, Dating Violence, Sexual Assault and Stalking," added some rights to Residents living in properties that are part of Assisted Housing Programs (42 U.S.C. 14043e et seq.).

The protections of VAWA apply to both male and female Residents of Assisted Housing Programs, and affiliated individuals of the Resident who are victims or threatened victims of domestic violence, dating violence, sexual assault and stalking regardless of sex, gender identity, sexual orientation or age. VAWA protections are consistent with HUD's nondiscrimination and equal opportunity requirements and cannot be discriminated against on the basis of any protected characteristics including race, color, religion, sex, disability, familial status, national or ethnic origin, or age and available to otherwise eligible individuals or families without regard to actual or perceived sexual orientation, gender identity or marital status.

The Department implemented the standard forms provided in the final rule published in the federal register November 16, 2016, as follows:

- Appendix A: Notice of Occupancy Rights Under the Violence Against Women Act;
- Appendix B: Model Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking. The Department updated the Emergency Transfer Plan to include all regulatory requirements;
- Appendix C: Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation; and
- Appendix D: Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking.

The Housing Department provides the Notice of Occupancy Rights Under the Violence Against Women Act and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking to each

applicant and resident household including at the time the applicant is denied assistance or admission; at the time of admission; and with any notification of eviction or termination of assistance.

The Housing Department does not determine ineligibility or terminate tenancy, assistance or occupancy rights based on criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking that is engaged in by a member of a resident's household or any guest or other person under the resident's control if the resident or an affiliated individual of the resident is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

A resident who is a victim of domestic violence, dating violence, sexual assault or stalking is eligible for an emergency transfer if the Resident expressly requests the transfer; the Resident reasonably believes that there is a threat of imminent harm from further violence if the resident remains in the current unit; in the case of sexual assault, the assault occurred on in the unit during the ninety (90) calendar day period preceding the request of the transfer. Residents who are not in good standing may still request an emergency transfer if they meet the eligibility requirements. All information provided to the Housing Department, including the Resident's status as a victim, is confidential.

Designated Housing for Elderly and/or Disabled Families

On August 11, 2022, the Housing Department received approval to extend the current Designated Housing Plan through December 21, 2024. The two properties currently included in this approved elderly designated extension are Maryvale Terrace Parkway (AMP 005) 104 units and Matthew Henson (AMP 17) 100 units. Pine Towers (formerly AMP 007) 100 units was also included in this plan, but is no longer applicable, as the RAD Section 8 PBV conversion was completed in November 2022. Coronavirus COVID-19 & the CARES Act:

In accordance with HUD Notices PIH2020-05, PIH2020-13 Rev. 1, PIH2020-20, PIH2020-22, PIH2020-33 and all subsequent notices, the Housing Department implemented the use of waivers for certain activities, including eligibility, selection and admission. The use of the waivers, due to the Coronavirus COVID-19 pandemic, was authorized in the Notices; the Department continued to use the waivers through the period of eligibility and remainder of the pandemic. (2021-2022). The Department did not seek to request approval for continued use of COVID waivers after the expiration of the listed notices for the Public Housing Program and has returned to normal operations.

The Housing Department HCV Program implemented the following extended waivers approved by HUD pursuant to PIH Notice 2022-30 (updating original notices PIH Notice 2021-34: for increase in Payment

Standard during HAP contract term and PIH Notice 2022-09: for voucher tenancy, new Payment Standard amount).

- Increase in Payment Standard During Housing Assistance Payments (HAP) Contract Term (PIH Notice 2021-34) – this waiver allows PHAs to increase the payment standard for a family at any time after the effective date of the increase instead of at the next regular reexamination. The original approval was received on August 23, 2022 and was implemented on September 1, 2022. On December 6, 2022, the Department received approval for the waiver to continue through December 31, 2023. The Department may extend this waiver if available.
- Voucher Tenancy: New Payment Standard Amount (PIH Notice 2022-09)– this waiver allows PHAs to establish payment standards up to 120% of the FMR, instead of 110%, which is the maximum usually allowed in most scenarios. The original approval was received on August 23, 2022 and was implemented on September 1, 2022. On December 6, 2022, the Department received approval for the waiver to continue through December 31, 2023. The Department may extend this waiver if available.

Other

The Housing Department continues to investigate the feasibility of making utility reimbursement payments to participant families by direct deposit to their bank accounts. This process reduces costs associated with the creation and mailing of checks including the replacement of lost checks.

Grievance Procedure

The Grievance Procedure contained in the Admissions and Continued Occupancy Policy for Public Housing is as follows:

FAMILY’S RIGHT TO GRIEVANCE HEARING

1. A Resident (defined by HUD as any adult member who has executed a lease) is entitled to both an informal meeting and a grievance hearing when there is an adverse action to be taken by the Housing Department, as defined in the regulations at [24 CFR 966.4](#).
2. A Resident has a broad right to grieve a Housing Department action or non-action which may adversely affect the individual interest of the tenant ([24 CFR 966.53](#)). Whether or not a type of proposed adverse action is explicitly listed in the rule, the Resident has the right to grieve on any such subject, except for a termination of tenancy that has been excluded from the grievance process.
3. Any and all notices of a proposed adverse action issued by the Housing Department shall inform the family of:
 - 3.1. The reason for the proposed adverse action with enough specificity to allow them to prepare a defense;
 - 3.2. The timeframe and procedures for requesting a grievance hearing; if applicable;
 - 3.3. The date of the proposed adverse action;
 - 3.4. Resident’s right to make a reply as they may so desire; and
 - 3.5. Resident’s right to examine any documents of the Housing Department which are directly relevant to the proposed adverse action.
4. If there is a determination by the Housing Department that the family is not entitled to a grievance hearing, as may be the case for a termination of tenancy for criminal activity or drug-related criminal activity, the notice shall indicate:
 - 4.1. The grievance hearing is not applicable to this termination action; and
 - 4.2. The specific judicial action to be used.

PERSONS EXCLUDED FROM THE GRIEVANCE PROCEDURE

1. A minor child shall not have the right to grieve nor the automatic right of leasehold succession. Neither shall a non-Resident relative nor a guardian acting on behalf of the minor child(ren) have the right to grieve nor an automatic right of leasehold succession. Rather, the grievance shall be restricted to a remaining family member with legal capacity to assume the tenancy.
2. A live-in aide is not entitled to a grievance hearing as they are neither a family member nor a party to the lease.
3. Residents who execute a Nonrevocable Notice of Intent to Vacate in lieu of lease termination will be included in the informal meeting process but excluded from the formal hearing process.
4. It is the decision of the Housing Department to exclude from the grievance procedure Residents involved in:
 - 4.1. Criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other Residents, employees of the Housing Department or persons residing in the immediate vicinity of the premises threatened; or
 - 4.2. Any violent or drug-related criminal activity on or off such premises.

REQUIREMENT TO ESTABLISH AN ESCROW ACCOUNT

This ACOP Section 28.2 does not apply to Residents of Sunnyslope Manor and Fillmore Gardens.

1. If the Resident elects to grieve a proposed termination for non-payment of rent or other charges the Resident must comply with the following:
 - 1.1. At least three (3) business days prior to the formal hearing the Resident must deposit with the Housing Department, an amount equal to the amount of Resident rent due the first of the month preceding the month in which the Resident requested the grievance hearing.
 - 1.2. The manager of the escrow account(s) shall be identified to the Resident in the notice that Housing Department sends to the family establishing the date/time and location of the hearing.
 - 1.3. The Escrow Account Manager (EAM) shall be required to issue a receipt to the family for all such payments made each time a payment is made. Each receipt shall identify the date and amount of the most recent payment plus the aggregate amount accumulated in the escrow account.
 - 1.4. Resident must provide a copy of any/all such receipts at the initial grievance hearing or any subsequent hearings which are directly or indirectly related to the dispute of payments owed the Housing Department.
2. Failure of the family to make the required payments will terminate the grievance process; however, this does not preclude a Resident from seeking judicial relief if they continue to dispute the amounts the Housing Department contends are owed under the lease.
3. The Housing Department reserves the right to waive these escrow requirements, in whole or in part, dependent upon any extenuating circumstances of an individual Resident family. However, any such waivers do not preclude the Housing Department from exercising its right to seek judicial relief for amounts the Housing Department contends are owed under the lease. The Housing Department reserves the right to apply any payments received and any balance of the rental account into escrow.

HEARING OFFICER

1. The Housing Department solicits Requests for Proposals for qualified neutral third-party hearing officers through the Procurement Division of the City of Phoenix Finance Department, in accordance with City of Phoenix procurement requirements.
2. For formal hearings on lease termination actions, the Hearing Officer will consist of a three (3) member panel, represented by one (1) resident, one (1) Housing Department staff member and one (1) neutral third-party hearing officer. The Housing Department will appoint a resident and a

Housing Department staff member that are impartial and have had no part in any action related to the subject of the hearing.

3. For all other formal hearings, the Hearing Officer will be a neutral third-party hearing officer.

PROCEDURES GOVERNING THE GRIEVANCE HEARING

1. Each family will be provided with a copy of the Housing Department's HUD approved grievance procedure at the time of lease execution and upon request whenever the family indicates they want a grievance hearing as a result of a proposed adverse action to be taken by the Housing Department.
2. At the informal stage, families are asked to present their grievances to Housing Department management to provide an opportunity for the grievance to be cured without a hearing if possible. A virtual on-line meeting with video, audio, and screen sharing or conference call will be arranged at a mutually agreeable time within ten (10) business days. NOTE: Virtual meetings are limited to reasonable accommodation and standard operation under the novel coronavirus, COVID-19.
 - 2.1. A meeting will be arranged at a mutually agreeable time within ten (10) calendar days.

The Resident will present the grievance and the Housing Department staff person responsible for the area will attempt to settle the grievance. Within ten (10) calendar days, the Housing Department will provide the Resident with a written summary of the informal hearing.
 - 2.2. The summary will include the names of the participants, the date(s) of the meeting, the nature of and the reasons for the proposed disposition and the procedures for obtaining a formal hearing if the complainant is not satisfied. A copy of the summary will be placed in the Resident's file.
3. If the family is dissatisfied with the proposed disposition of the complaint, the family may make a written request for a formal grievance hearing within ten (10) calendar days after receipt of the summary of the informal hearing.
4. An adult Resident has the right to a fair hearing which includes:
 - 4.2. The opportunity to examine any Housing Department documents which are directly relevant to the hearing prior to the hearing. This includes the right to review and copy, at the Resident's expense, Housing Department policy, HUD regulations, and contents of the Resident file upon which the Housing Department will rely in its presentation of the case, including police generated reports.
 - 4.3. The right of the Resident to be represented by legal counsel or other person of his/her choice and to have such representative present oral arguments on his/her behalf.
 - 4.4. The right of the Resident to a private hearing on the dispute unless the family requests, in writing, to have a public hearing.
 - 4.5. The right of the Resident to controvert evidence relied on by the management and to confront and cross-examine witnesses upon whose testimony or information the Housing Department management or site staff relies.
 - 4.6. The right to a decision based solely upon the facts presented at the hearing.
5. The Hearing Officer will consider a request for a postponement of the hearing if:
 - 5.2. Such request is made in writing, by the Resident, and received at least five (5) business days prior to the scheduled date of the hearing; and
 - 5.3. Such request includes a reason that substantiates that moving forward with the scheduled hearing would place an undue hardship on the Resident (e.g., inability to take off from work at the scheduled time without losing pay or jeopardizing employment, inability to be represented by legal counsel of the tenant's choice at the scheduled time, etc.).
6. When such a request is received, the Hearing Officer will determine if the request is to be approved or disapproved within three (3) business days of receiving the request. The Resident will be issued a written notice of approval or disapproval of the request to postpone.
 - 6.2. If the request is disapproved the family will be to participate; failure to do so could result in

the Hearing Officer ruling in favor of the Housing Department as a result of the Resident's default. If the request is approved a new date will be identified in the letter of approval. In no event shall the date of the re-scheduled hearing be more than ten (10) business days from the date of the originally scheduled hearing date, unless there is documentation that the Resident will (a) be hospitalized for a period of time exceeding the ten (10) day extension period or (b) the Resident will be sequestered on a jury for a period of time exceeding the ten (10) day extension period or (c) the Resident is involved in military duty which will be of a duration exceeding the ten (10) day extension period, but still less than thirty (30) days.

- 6.3. If the Resident will be unable to participate in the hearing which is rescheduled within the ten (10) day extension period, for one or more of the three reasons identified above or for a reason of equal weight, the family may be granted an additional extension for an additional ten (10) day period at the discretion of the hearing officer. If the Resident is unable to participate within the period of the second extension period and a waiver is not granted for extenuating circumstances the Housing Department may proceed with the prepared adverse action. This does not exclude the Resident from pursuing any judicial relief available to them.
7. The determination of the Hearing Officer will be rendered in writing to the tenant and the Housing Department within ten (10) business days of the close of the hearing, or in the case of Sunnyslope Manor and Fillmore Gardens, within five (5) days of the close of the hearing. The decision is binding on the Housing Department unless HUD, the Assisted Housing Governing Board or its designee determines within thirty (30) calendar days of the decision that the Hearing Officer acted arbitrarily or exceeded their jurisdiction, or that the decision is contrary to any applicable provisions of Federal, State or local law, HUD regulations, or the ACC.
8. A decision which is rendered in favor of the Housing Department does not affect the Resident's right to pursue any other judicial action available to him/her.
REMINDER: Residents who execute a Nonrevocable Notice of Intent to Vacate will be provided with an informal meeting, but will be excluded from the formal hearing process, per ACOP Section 28.1.3.

CONDUCT OF THE FORMAL HEARING

The hearing will be conducted by the Hearing Officer in a manner that is both informal and orderly. If any participant or spectator evidences disorderly conduct and fails to comply with the directions of the Hearing Officer to modify the objectionable behavior, the Hearing Officer may dismiss the person(s) participating in the objectionable behavior and/or dismiss the case and rule in favor of the opposite party. A virtual on-line meeting with video, audio, and screen sharing or conference call will be arranged at a mutually agreeable time within ten (10) business days. NOTE: Virtual meetings are limited to reasonable accommodation and standard operation under the novel coronavirus, COVID-19. The formal hearing may be recorded. Recordings will be retained in accordance with the retention schedule of the program.

DECISION OF THE HEARING OFFICER

1. The Hearing Officer is required to issue a written decision within ten (10) business days following the hearing, or in the case of Sunnyslope Manor and Fillmore Gardens, within five (5) days of the close of the hearing. The written decision should include a summary of the oral and written evidence presented by both the complainant and the Housing Department and must state the reason(s) for the decision, including the policy or regulation that supports the decision made. A copy of the decision will be placed in the Resident's file and an additional copy (with names and dates redacted) will be retained by the Housing Department and made available for a prospective complainant, the complainant's representative, or Hearing Officer.
2. A decision by the Hearing Officer in favor of the Housing Department's action or failure to act or

which denies the relief requested in whole or in part does not constitute a waiver of any rights the complainant may have to a subsequent trial or judicial review in court.

Note: The ACOP is also utilized as the Tenant Selection Plan (TSP) for residents of Sunnyslope Manor and Fillmore Gardens, by incorporating the requirements contained in HUD Handbook 4350.3 and HUD regulations and notices.

The Grievance Procedure contained in the Administrative Plan for the Section 8 Housing Choice Voucher Program is as follows:

INFORMAL REVIEWS AND INFORMAL HEARINGS

COMPLAINTS

The COPHD will respond promptly to complaints from families, owners, employees and members of the public. The COPHD requires that all complaints be put in writing using the Section 8 form "complaints". This form will be available on the COPHD website at www.phoenix.gov/housing.

Categories of Complaints are as follows:

- Complaints from families: If a family disagrees with an action or inaction of the COPHD or owner.
- Complaints from owners: If an owner disagrees with an action or inaction of the COPHD or family.
- Complaints from staff: If a staff person reports an owner or family either violating or not complying with program rules.
- Complaints from the general public: Complaints or referrals from persons in the community in regard to the COPHD, a family or an owner.

INFORMAL REVIEW POLICY

Links: [24 CFR 82.554](#);

COPHD provides a copy of the Informal Review and Hearing procedures in the family briefing packet. When possible and allowed by regulation/law, COPHD may conduct administrative reviews of informal hearing/review requests and provide alternate resolutions at its discretion before proceeding with the family's request for a review or hearing.

An applicant may request an informal review of the COPHD's decision to deny the applicant's participation in the Housing Choice Voucher Program. Reviews are provided for applicants who are denied assistance before the effective date of the HAP Contract. The exception is that when an applicant is denied assistance for citizen or eligible immigrant status, the applicant is entitled to an informal hearing.

An applicant may request an informal review if the applicant:

- Is denied listing on the waiting list or for a preference
- Is denied a voucher
- Is denied participation in the Program including portability

Informal reviews will not be granted to applicants who dispute:

- The unit size (number of bedrooms) stated on the voucher.
- A determination that a unit does not comply with Housing Quality Standards including space requirements.
- A determination that a proposed lease is unacceptable.
- A decision to not approve a request for an extension of the term of the voucher.
- General policy issues, class grievances, or discretionary administrative determinations.

When the COPHD determines that an applicant is ineligible for the program COPHD will notify the applicant of ineligibility in writing. The notice will contain:

- Reason(s) the family is ineligible
- Procedure for requesting a review if the applicant does not agree with the decision
- Time limit for requesting a review: The applicant must submit the written request for an informal review within 15 business days of the date of the denial notice.
- If the request is not submitted timely, it will mean that the applicant waived his/her right to request an informal review.

The informal review will be conducted by a person or panel including other than the one who made the decision under review or a subordinate of this person. The applicant will be provided an opportunity to present written or oral objections to the decision of the COPHD. The review decision will be based only on evidence presented at the review by both parties. Evidence presented after the review will not be considered. Extensions for evidence will not be granted.

The person or panel conducting the informal review will make a recommendation to the COPHD, but the COPHD Program Director is responsible for making the final decision as to whether admission should be granted or denied. If the informal review decision overturns the denial, processing for admission will resume.

If the family fails to appear for their informal review, the denial of admission will stand and the family will be so notified.

INFORMAL HEARING POLICY

Link: [24 CFR 982.555](#)

Informal hearings may be requested for the following reasons:

- Determination of the amount of the total tenant payment or tenant rent
- Determination of hardship regarding minimum rent
- Decision to terminate assistance
- Decision to deny a family move
- Appropriate utility allowance used from schedule
- Family unit size under COPHD subsidy standards
- Termination of a family's FSS Contract, withholding supportive services, or proposing forfeiture of the family's escrow account

COPHD is not required to provide an informal hearing in the following cases:

- Discretionary administrative determinations by COPHD, or to consider general policy issues or class grievances
- Determination that the unit does not comply with COPHD's Housing Quality Standards including space requirements for family size, that the owner failed to maintain the unit in a decent, safe, and sanitary manner in accordance with the Housing Quality Standards (HQS), (including all services, maintenance, and utilities required under the lease).
- Decision to exercise any remedy against the owner under an outstanding contract, including the termination of Housing Assistance Payments to the owner
- Decision not to approve a family's request for an extension of the term of the Voucher issued to an assisted family which wants to move to another dwelling unit with continued participation
- Establishment of COPHD schedule of utility allowances for families in the program

When the COPHD determines that a participant should be terminated from the program, COPHD will

notify the participant of their proposed termination in writing. The notice will contain:

- Reason(s) for and timing of termination,
- The date the proposed action will take place
- Procedure for requesting a hearing if the participant does not agree with the decision
- Time limit for requesting a hearing: The participant must submit the written request for an informal hearing within 15 business days of the date of the termination notice.
- If the request is not submitted timely, it will mean that the applicant waived his/her right to request an informal review.

CONDUCTING INFORMAL HEARINGS

The COPHD may conduct informal reviews and hearings telephonically, via video-teleconferencing, or through other virtual platforms provided that the family has not requested in-person informal hearing. Prior to scheduling a remote informal hearing, the COPHD will survey the family to determine if technology barriers exist that would limit the family's ability to participate in the hearing. If the participant does not have proper technology access, then the remote hearing will either be postponed until the COPHD can resolve the access issue(s), or an in-person alternative will be provided.

COPHD hearings will be conducted by a single hearing officer or a panel. The COPHD will appoint a person or panel who has/have been selected in the manner required under the hearings procedure.

Hearings may be attended by the following applicable persons:

- A COPHD representative(s)
- Any witnesses for the COPHD

Copying of any documents will be at the expense of the requesting party at per standard cost per copy established by the City of Phoenix. If the applicant/family or COPHD does not make the document available for examination on the request of the other party, that document may not be relied on during the review/hearing.

The review/hearing will follow the following guidelines:

- The review will be conducted by any person or persons designated by COPHD, other than a person who made or approved the decision under review or a subordinate of this person.
- All COPHD Denial and Termination notices will advise the applicant/family of his/her right to a review/hearing and the process to request a review/hearing.
- The applicant/family must request the informal review/hearing in writing within the required time frame (15 business days after receipt of notice from the COPHD).
- COPHD will schedule the hearing within a reasonable timeframe, preferably before the effective termination date. If the hearing cannot be scheduled before the effective termination date, the effective termination date may be extended, based solely on the reason for the delay and at the sole discretion of COPHD.

Requests for such documents or evidence must be received no later than five (5) business days before the hearing date.
- If a family does not appear at a scheduled review/hearing and has not rescheduled the hearing in advance, the hearing officer will assume the family is no longer interested in the program and will uphold the denial/termination.

DECISIONS NOT BINDING TO COPHD

- A matter for which COPHD is not required to provide an opportunity for an informal review/hearing or otherwise in excess of the COPHD of the person conducting the review/hearing.
- A decision given contrary to HUD regulations, requirements, or otherwise contrary to Federal, State or Local law.

In the event that a review/hearing decision is not binding to COPHD, the Managing Director or his/her designee will send a notice to all parties attending the review/hearing that the decision is null and void. The notice will set a date and time for a new hearing with a different hearing officer.

HEARING PROVISIONS FOR RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS

Assistance to the family will not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision of the USCIS appeal. Assistance to a family will not be terminated or denied while the COPHD hearing is pending; however, assistance to an applicant may be delayed pending the COPHD hearing.

If a family member claims to be an eligible immigrant, and the USCIS SAVE system and manual search do not verify the claim, COPHD will notify the applicant/family within ten (10) calendar days of their right to appeal to the USCIS within thirty (30) calendar days or to request an informal hearing with COPHD either in lieu of or subsequent to the USCIS appeal. If the family appeals to the USCIS, they must give COPHD a copy of the appeal and proof of mailing, or COPHD may proceed to deny or terminate. The time period to request an appeal may be extended by COPHD for good cause. Good cause includes medical emergency, employment emergency, family emergency, etc. The emergency must be documented in writing (doctor's statement, employer statement, independent agency statement, etc.). The request for a COPHD hearing must be made within fifteen (15) business days of receipt of the notice offering the hearing or, if an appeal was made to the USCIS, within fifteen (15) business days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in this Plan for both applicants and families. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the COPHD will:

- Deny the applicant family.
- Terminate the family if the family does not qualify for deferral.

If there are eligible members in the family, the COPHD will offer to prorate assistance or give the family the option to remove the ineligible members.

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied or

terminated for failure to provide.

Families whose assistance is pro-rated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights describes above) are entitled to a hearing based on the right to a hearing regarding determinations of Total Participant Payment.

Families denied or for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

COPHD's informal review and informal hearing procedures are stated in the COPHD HCV Informal Review and Hearing Procedure.

Homeownership Programs

There are 96 single-family homes identified to sell through the Section 18 program. The initial Section 18 phase I contained thirty-four (34) identified vacant units which did not require resident relocation and were sold in "as is" condition with minimal rehabilitation. After approval was received in August 2020, the department began selling the units in February 2021; Phase I was complete December 2021. The price of each unit was established based upon an independent appraisal and listed on the Arizona Regional Multiple Listing Service (MLS).

On August 23, 2022, the Housing Department received approval from the US Department of Housing and Urban Development (HUD) for Phase II of the disposal of up to twenty-nine (29) Scattered Sites AZ001000008 (AMP 08), under Section 18 of the US Housing Act in 2022. After approval was received in August 2022, the department began selling the units in March 2023; Phase II was completed September 2023. The price of each unit was established based upon an independent appraisal and listed on the Arizona Regional Multiple Listing Service (MLS).

In 2023, the Housing Department submitted six (6) Scattered Sites AZ001000008 (AMP 08), under Section 18 of the US Housing Act in 2023, due to the distance between units, the lack of uniformity of systems and the unsustainability to operate and maintain the units as public housing. The department does not have an eligible resident organization, resident management corporation or non-profit organization acting on behalf of the residents. The Housing Department may ask HUD to amend the Section 18 application approval as to the Method of Disposition.

AMP 08 currently has 146 single-family homes with 79 of those identified for sale through the Section 32 Program. The Section 32 Plan are Scattered Sites homes sold to first time homebuyers meeting the requirements of the program. The homes are sold as they become vacant or to the resident residing in the home. There are several designated Section 32 homes that require excessive rehabilitation and/or will appraise beyond what affordable buyers may qualify.

The Housing Department plans to submit at least one Section 18 application per year and may request properties to be added to the Section 32 program to give tenants the opportunity to buy the home they reside in. We also plan to request Section 32 designated units to be designated Section 18 due to units requiring excessive rehabilitation and/or will appraise beyond what affordable buyers may qualify. **Additionally, the Housing Department intends to request tenant protection vouchers for the existing residents in Scattered Sites.**

A Request for Proposals was conducted for the Housing Department's Open Doors Homeownership Program utilizing HOME Investment Partnerships (HOME) Program funding and two non-profit

program administrators were selected. The program is now underway with three first time homebuyers served since program inception. We anticipate approximately 15 Phoenix households to be served through June 30, 2025, with over 50 new homeownership opportunities for Phoenix residents created over the life of the program.

As part of the Choice Neighborhoods housing development program, the Housing Department will construct 29 affordable and 15 market value townhome style homeownership units built on the former Frank Luke Homes public housing site. These homes will be adjacent to the proposed Linear Park and will range from 2-4 bedrooms. Construction is projected to begin in fourth quarter of 2024

Community Service and Self-Sufficiency Programs

The Housing Department's HSS program offers a variety of services to residents of public and affordable housing to improve resident self-sufficiency. These include employment and training programs, teen and youth programs, health and behavioral health services, educational programs, leadership, and Neighborhood Network Centers.

To enhance service provision, the Housing Department partners with many agencies including but not limited to the ARIZONA@WORK ; City of Phoenix Human Services Department Head Start, Community Services and Senior Services programs; Valle del Sol, Friendly House, and College Depot. There are over 100 partners that belong to the Housing Coalition of Service Providers (CSP) established in 2002, and more are added as new agency partnerships are developed or new services for residents are identified. During the 2010 Frank Luke Addition HOPE VI grant, an Early Childhood Advisory Team, a subcommittee of the CSP was created to address the health and educational needs of young children ages 0 to 5 and their parents. This group meets quarterly and was instrumental in the opening of the First Things First Aeroterra Family Resource Center.

Due to the COVID pandemic, many services had been limited or moved to a virtual platform, in September 2022 all services were able to return to full capacity. The team is still working with agencies, many who moved to a virtual platform, to reinstate services at the two community centers.

HSS has two main community centers and two smaller centers:

- **The Emmett McLoughlin Community Training and Education Center (CTEC)** located in Henson Village: The **CTEC** serves families living at Henson Village, Symphony and is open to other area residents. This center provides a multitude of services including GED; ESL; parenting classes; budgeting; health related programs and services; computer lab; Volunteer Income Tax Assistance; youth services; and a Community Action Team to address community safety. The site hosts multiple other programs with the Housing Coalition of Service Providers who provide services on site. In October 2023, the Digital Equity Institute opened a HIVE. The HIVE will assist to bridge the digital divide. The program provides onsite hands-on tech support and digital skills training to help people navigate technology and successfully participate on-line.
- **The Aeroterra Community Center (ACC)** located within the Aeroterra Community: The **Aeroterra Community Center**, opened in October 2017 and in 2018 was designated a HUD EnVision Center through October 2022. While the designation ended, the site continues to follow the EnVision Center philosophy. This center provides a host of classes such as GED; ELA (English Language Acquisition); parenting; budgeting; leadership; employment readiness, job search, resume writing and job fairs; health; nutrition, and wellness classes. The center is an Affiliate Site of the ARIZONA@WORK City of Phoenix, including a computer lab that was opened as a part of the Choice Neighborhoods Implementation grant. An afterschool program is provided Monday –

Thursday that includes youth activities, STEM activities, homework assistance, tutoring and a nutritional snack. A monthly food pantry conducted with St. Mary's Food Bank provides over 400 bags of fresh fruit and vegetables, canned foods and protein such as chicken, hamburger or fish monthly.

- The **First Things First Aeroterra Family Resource Center** located close to the Aeroterra Center opened in January 2018 and is in the historic building on the Aeroterra Frank Luke Addition HOPE VI revitalization site. This site is currently run by the City of Phoenix Youth and Education Program and funded under the First Things First Program and provides a variety of classes and services that provides families with youth ages 0 -5.
- **The IWORK (Improving Work Opportunities and Resident Knowledge) Center** is located within the Marcos De Niza Community. The iWORK Center and Affiliate Site for ARIZONA@WORK Career Center, provides both youth and adults with workforce services that include access to training and education opportunities, resume writing, job readiness, job fairs and job application assistance. Originally this site was the recipient of a Jobs Plus grant which ended in 2022 now provides sustainability services.
- Neighborhood Network computer labs are currently offered at the CTEC, Aeroterra Community Center, Marcos de Niza Housing site (iWORK).

The Family Self Sufficiency (FSS) Program is available to all conventional, scattered sites and Section 8 subsidized housing residents. FSS is an education and employment program leading to financial independence. The City of Phoenix is part of the Valley FSS Program Coordinating Committee which includes other Housing Authorities, and agencies that provide TANF assistance and Workforce Investment Act agencies. In June 2022, HUD issued a new rule for FSS programs and HSS. The Housing Department submitted the required new FSS Action Plan which received approval in October 2022. The new rules were fully implemented in November 2022 and allows for up to 350 public housing and Section 8 participants. Overall, the FSS program has been very successful and in 2023 there were 21 residents who graduated from the program. Of those that graduated, three (3) purchased homes. Cumulative household incomes for program graduates increased from \$327,073 at enrollment to \$456,280 upon completion of the FSS program.

The Housing Department and the Arizona Department of Child Safety (DCS) has had a Memorandum of Understanding (MOU) in place for the Family Unification Program (FUP) since July 26, 2009. The original MOU provided 100 FUP vouchers of which, 10 were allocated to youth ages 18 - 21, who are aging out of the foster care system. Youth vouchers were limited to 18 months of assistance. In 2016, the Housing Department, in partnership with DCS, received approval to participate in the Family Unification and Family Self Sufficiency (FSS) Demonstration Program, as defined in PIH Notice 2016-01. The demonstration program allows for youth ages 18-21 aging out of foster care, who meet the HUD established criteria, enroll in the FSS program, and sign a FSS Contract of Participation, to maintain the voucher housing assistance for an additional 42 months, with the possibility of an extension to 66 months, to complete training and degree programs. In July 2018, the Housing Department applied for an additional 100 FUP vouchers and was awarded 89 effective January 2019. The additional voucher program allows both FUP eligible families (those who lack adequate housing as the primary factor in the imminent placement of the family's child, or children, in out-of-home care, or in the delay of discharge of a child or children to the family from out of home care) and FUP eligible youth ages 18 – 24 who aged out of foster care system who qualify to obtain a Housing Choice Voucher. Families are eligible for an on-going voucher and FUP youth are eligible for assistance for up to 36 months unless they enroll in the FSS Program as a part of the FSS Demonstration Program outlined above. A new MOU was submitted with

the grant application between the COP Housing, DCS, and Maricopa Association of Government's Continuum of Care (COC). A first amendment was signed extending the MOU until 2024. In 2024 the MOU will be revised to include a second amendment extending the terms of the contract. The current utilization of these vouchers is at 86%. This appears to be due to the pandemic and a shortage of Section 8 landlords, many who have strict occupancy rules for lease up, HSS staff and Section 8 staff are working closely with DCS to increase the lease up rate. New rules implemented by the City of Phoenix Council for landlords has allowed more Section 8 recipients to find housing in the last year.

In 2018 the Housing Department was awarded the Choice Neighborhood Grant. Housing Supportive Services (HSS) manages the People Component of this grant. Case management/service coordination is provided to all original Choice families and will be provided to new families who move into the new site. There is a priority for health, education, and economic self-sufficiency outcomes.

- Health: HSS partners with many health care providers such as CVS who provides an onsite state of the art van that conducts biometric screening. Valle del Sol is the Federally Qualified Health Care Center that provides mental health services on site and the plan is to provide primary health care services on site at the Edison Impact HUB that will be revitalized in the future. Phoenix Revitalization Corporation provides leadership classes and manages the Resident Leadership Council. Multiple health partners provide services at this site including Phoenix Fire Department Baby Shot Program, Maricopa County Department of Public Health and Arizona State University College of Nursing and Health Innovation.
- Education: The program has a MOU with Phoenix Elementary School District and HSS has placed two school based mental health caseworkers at the two adjacent elementary schools. The MOU was updated in 2023 to be extended through 2025. City of Phoenix Parks and Recreation Program provides an afterschool program. This program has been closed due to staffing shortages but should be re-opening in 2024; in the meanwhile, casework staff provide afterschool programming that includes homework assistance. Partnerships with Early Head Start, Head Start and the First Things First Aeroterra Family Resource Center for children ages 0 -5 and provides the tools for the children to enter kindergarten ready to learn. In later phases, two onsite Head Start classrooms will be built at the Family Education Center located in the historically preserved buildings. All youth who are seniors in high school are intensively case managed to encourage graduation from high school and enrollment in post-secondary education programs.
- Economic Self Sufficiency: A partnership with ARIZONA@WORK provides a Workforce Specialist at the site who provide referrals to training programs and access to job readiness, resume writing, job fair and other employment services. A partnership with the Phoenix Library StartUp Program will provide training in how to open your own business. Section 3 opportunities in construction and front office reception are provided through the revitalization of the site.

The Housing Department's Jobs Plus grant awarded in 2016 ended in August 2022. This grant provided the ability to develop locally based, job driven approaches to increase earnings and advance employment outcomes through work readiness, employer linkages, job placement and counseling, educational advancement, technology skills and financial literacy for residents of the Marcos de Niza public housing site. The office site for the local program, iWORK, (Improving Work Opportunities and Resident Knowledge), will continue to provide sustainability of services with a Service Coordinator, Workforce Specialist and part time receptionist. An affiliate ARIZONA@WORK Career Center, a part of the PhoenixWorkforce Connection System, is located at this site. In July 2022 the ARIZONA@WORK Phoenix provided the funding for sustainability for a Workforce Specialist at this site. This position will serve Marcos de Niza, Henson Village and the surrounding community.

The Housing Department offered 33 Project-based vouchers to homeless individuals and families who met the criteria with supportive services from the Human Services Department Family Services Center at

Aeroterra Phase III of the Frank Luke Addition HOPE VI revitalization. Families referred through the Phoenix regional coordinated assessment hubs receive on-going supportive services such as case management, job training and employment services to ensure long-term stability and increase self-sufficiency. The City of Phoenix Human Services Department provides intensive case management to these families and the HSS program provides intensive services to the youth living in these units.

The Housing Department was awarded a ROSS (Resident Opportunities and Self-Sufficiency) for Education Grant and partnered with the Library Department's College Depot to deploy Education Navigators to provide youth between the ages of 15 – 20 and their families for individualized assistance at public housing sites. The Navigators provide support with free application for Federal Student Aid completion, financial literacy and college readiness, post-secondary program applications, and post acceptance assistance. The grant period did end but HSS is providing the framework from this grant at all housing sites that HSS provides services.

The Housing Department participates in HUD's ConnectHome program to bridge the digital divide by providing internet connectivity and assisting housing residents to attain devices. During the pandemic, the Housing Department was approved by the City Council to purchase and provide 800 devices and two years of internet services to all families with youth ages 5 – 18, through the City's CARES Act funding and later approved to provide 800 devices and two years of internet services for all senior elderly residents. This provided the seniors with opportunities to conduct virtual telehealth appointments, conduct online banking, online shopping, connectivity to family and friends and multiple other services. The Housing Development team and HSS distributed the devices and provided training on how to use devices, set up email and set up applications. Other devices were provided by Everyone On through the Carnegie Foundation provided to high school and college student and adults. In 2022, an additional 2-year extension was provided to the residents through CDBG funding.

The Housing Department received American Rescue Plan Act (ARPA) funds to provide free to the tenant Wi-Fi access at its Public Housing and Affordable Housing sites, serving up to 4,000 units. Wi-fi implementation is on-going with most units coming on-line in early 2024. In addition, the Edison-Eastlake Choice Neighborhoods Community will receive Community Wi-Fi through a partnership with Sun Corridor Network and Arizona State University. Community Wi-Fi is planned to serve all phases of the Choice Neighborhoods housing development and is made possible through ARPA funding. Implementation is expected to be complete at the end of 2024.

The Housing Department's first Digital Hive was opened in October 2023 at the Aeroterra Community Center serving the Choice Neighborhoods and surrounding community with Digital Navigators available to assist residents with their digital technology needs, getting questions answered, and other digital skill building. The Hive is also made possible through a partnership with Digital Equity Institute and ARPA funding. The Hive is expected to continue at Aeroterra for approximately one year until a permanent space is available at the Edison Impact Hub also located in the Edison-Eastlake Community.

Residents of RAD and Choice Neighborhoods projects converting to PBVs, are eligible and offered a variety of services through the Housing Department community centers including Aeroterra Community Center located in the Aeroterra community, and the Emmett McLoughlin Community Training and Education Center located in Henson Village. Services include but are not limited to: ARIZONA@WORK PHOENIX Affiliate Site Career Center, resume writing assistance, job search, job fairs, GED preparation classes, ESL classes, neighborhood network center/computer access, health prevention classes, nutrition, physical activity and other health related classes, early childhood development screenings, financial literacy, Girl Scouts, parent educational programming, Man Cave for fathers of 0 – 5 year old youth, community leadership classes/Leadership Academy, Volunteer Income Tax Assistance (VITA), Ninos en

Mi Casa training for in-home childcare providers, Raising a Reader, Kindergarten Boot Camp, assistance with benefit applications, youth sports, dance/music/art classes, and PBS Kids Play and Learn Science. Early Head Start and Head Start services are offered by several organizations in the surrounding areas. Qualified residents are also eligible to join the Family Self Sufficiency (FSS) Program.

Case management, service coordination and other services are offered to all public housing residents at all HOPE VI developments (Henson Village, Symphony and Aeroterra) and those who live in the sites that are benefitted by the ROSS Family Service Coordinator grants. In 2018, a ROSS service Coordinator grant for the Aeroterra Community was awarded to the Phoenix Resident Investment Development Effort (PRIDE) Board and implemented by the HSS program. Effective June 1, 2022, the 2021 renewal ROSS Service Coordinator PRIDE Board grant for 2022-2025 was implemented at the Aeroterra HOPE VI site by HSS. The focus of this grant is to provide education, employment, and health related services with the multiple partners of the CSP. Another ROSS Service Coordinator Grant was awarded to Friendly Housing in 2020 for 2021-2024 for Henson Village and Symphony Apartments. The focus for this grant is employment and training, education, financial literacy, and health related services. A renewal grant application with Friendly House was submitted in December 2023. HSS works in partnership with Friendly House, providing space and oversight of this program. Both sites provide service coordination through the multiple providers of the Housing Coalition of Service Providers that leads to greater self-sufficiency or enhanced quality of life. Since the COVID pandemic, all sites have provided COVID vaccinations, flu shots and other immunizations through the University of Arizona Mobile Prevention Program, Maricopa Department of Public Health, Valle del Sol, and other health care providers.

HSS has a partnership with Arizona State University in which the program accepts both bachelor and master level social work interns to complete their internship with the program. Interns provide services such as case management, groups, community event planning, and other supportive service and administrative tasks while under the supervision of qualified HSS staff. Students earn required school credit to graduate while providing the program with valuable service.

All residents of city-owned and city managed senior/disabled complexes continue to receive assistance from on-site service coordinators/case managers who coordinate recreational, educational, social services and health activities, as well as information and referrals. Special activities are planned to enhance independent living. These sites have small computer labs with internet access available for resident use. Seniors were also provided a device with internet connectivity. During the height of the COVID pandemic, some of these services were moved to a virtual platform, however, as of September 2022 all services are available for in-person programming. HSS partnered with multiple providers such as University of Arizona Mobile Prevention Program, City of Phoenix Fire Department Baby Shot Program, and local pharmacies to bring on site vaccinations to include COVID.

Housing Supportive Services staff partners with ARIZONA@WORK and the Coalition of Service Providers to ensure that interested residents receive the training necessary to participate in Section 3 employment opportunities and other educational and training opportunities. A list of Section 3 interested participants is kept by the Workforce Specialists and as Section 3 opportunities become available the team provides qualified candidates for the job order.

The Housing Department's Twitter account provides local area residents with up-to-date information about the Housing Department. The Department will be adding information about potential employment opportunities, job fairs, community resources and health and safety related tips.

Safety and Crime Prevention

Housing Department staff work closely with the Police Department to ensure the safety of residents in all public housing program sites. This includes frequent contact with the officers assigned to the family public housing communities, and agreements with the Police Department to provide information regarding calls from the public housing communities.

The Housing Department received a \$1 million Byrne Criminal Justice Innovation Grant to support data-driven, comprehensive, and community-oriented strategies to reduce crime in the Edison-Eastlake Community (EEC), Phoenix's Choice Neighborhoods target area. Through a broad cross-sector partnership team, including neighborhood residents, business and stakeholders, Phoenix Police, and Arizona State University, the Housing Department will employ a wide range of crime prevention and intervention strategies to address EEC conditions to reduce crime, spur revitalization, and build community-police collaboration.

The Housing Department was awarded a 2019 Capital Fund Emergency Safety and Security Grant in April 2021 in the amount of \$250,000. The funds were utilized at Pine Tower Apartments (AMP 7, 156 units) for exterior lighting improvements and the installation of security monitoring systems. The funds were also utilized at Maryvale Parkway Terrace (AMP 5, 108 units) for exterior lighting improvements and the installation of security monitoring systems, fire alarm/carbon monoxide improvements, and exterior door and gate replacements. These improvements were completed in 2022.

In all AMPS, where applicable as defined by PIH 2022-01 carbon monoxide detectors were installed in 2022. In AMP 005 a new combination fire system and carbon monoxide detectors was installed.

HOPE VI or Choice Neighborhoods

The Housing Department was awarded a \$20 million HOPE VI grant in 2011 to revitalize the former Frank Luke Addition (FLA) public housing community, now known as Aeroterra. In addition to the HOPE VI grant, Low Income Housing Tax Credits (LIHTC) were used to fund Phases I-III of the redevelopment. Phase I consists of 60 public housing units, serving seniors and persons with disabilities, was completed and occupied in December 2012. Phases II and III are a mix of 1 to 5 bedrooms that includes, a combination of public housing, LIHTC, Section 8 project-based vouchers, and market rate units.

Phase II, with 56 units, was completed and 100% occupied in October 2016; Phase III, includes 74 units and was completed in December 2016 and 100% occupied in May 2017. Phase 4 of the Aeroterra FLA HOPE VI project was the Summit Apartments, the off-site component of the grant. Fifty public housing units were placed at this property, which also has other affordable and market rate units. A major rehabilitation was funded at Summit using Neighborhood Stabilization Program (NSP) and HOPE VI funds. A final Phase V of the Aeroterra FLA HOPE VI grant, to add 60 mixed-income apartment units, is pending and likely to be completed in the next 3-5 years.

The Housing Department was awarded a Choice Neighborhoods Planning and Action grant in 2016 to create a comprehensive neighborhood transformation plan for the Edison-Eastlake Community (EEC) surrounding its East AMP, AZ001000003, that included 577 aged and obsolete public housing units. The Housing Department issued a Request for Proposals and selected developer Gorman & Company, a national affordable housing developer with experience in many of HUD's programs. Sidney P. Osborn Homes (145 units, AZ1-7B), A.L. Krohn Homes (202 units, AZ1-8B), and Frank Luke Homes (230 units, AZ1-2) are the target public housing sites for Choice Neighborhoods. The Housing Department and its partners gathered input and facilitated an extensive resident and community stakeholder planning process to create the EEC transformation plan, the One Vision Plan, that was submitted to HUD on June 28, 2018. The Planning and Action Grant is fully expended and pending close-out.

A Choice Neighborhoods Implementation Grant application was submitted in November 2017, and the Department was awarded \$30 million on July 6, 2018. In April 2023, the Housing Department submitted an application and was awarded a \$10 million Choice Neighborhoods Supplemental Grant to further support the development of replacement housing in conjunction with the Transformation Plan for the Edison-Eastlake Community. These funds are being used for the redevelopment of the City's former A.L. Krohn Homes and Sidney P. Osborn public housing sites that will result in

approximately 475 brand new units of mixed-income housing within the EEC. To help fill a remaining financial gap for planned replacement housing units, in 2024, the Housing Department will apply for a FY 2023 Supplemental Grant for \$2.5 million (or the maximum amount allowed) in additional funds to help offset development costs. The Department continues its work to fully implement the strategies outlined in the application, including a plan for the development of 1,016 mixed-income housing units (including 427 replacement public housing units) across the three target public housing sites as well as allocating 150 off-site Project-Based Vouchers in areas of opportunity to be utilized as replacement units. (75 PBV to be allocated to The Moreland project and 75 PBV to be allocated to Central and Columbus project or another TBD project should this one not be feasible). Applications for Tenant Protection Vouchers (TPV) for 577 units were also submitted with the Implementation Grant application in 2017. Allocations of Public Housing funds, Capital Fund Program, HOME, CDBG, ARPA, Section 18 Sales Proceeds, General Obligation Bond funds, Affordable Housing funds and other local funds may be utilized in the development.

Demolition and disposition of the selected site(s) will occur in conjunction with plans for future LIHTC applications. The Choice Neighborhoods target properties in AMP 3 (Frank Luke Homes, A.L. Krohn Homes, and Sidney P. Osborn for 577 units) are no longer part of the RAD Program and instead are subject to the Section 24 demolition/disposition process as part of the Edison-Eastlake Community Choice Neighborhoods revitalization program. The Housing Department submitted a Section 24 demolition application to HUD in calendar year 2020 for Frank Luke Homes (230 units, AZ1-2) and A.L. Krohn Homes (202 units, AZ1-8B). Demolition of Frank Luke Homes was completed in March 2021; AL Krohn Homes was demolished in August 2023. The Department submitted and received HUD approval for disposition applications for the replacement of Frank Luke Homes named Harmony at the Park One, Harmony at the Park Two in calendar year 2021, and Harmony at the Park Three in 2023. Additional disposition applications will be submitted in calendar year 2024 for the remaining portions of the demolished areas of Frank Luke Homes including the Linear Park and Trellis at the Park (homeownership component). The Housing Department will submit one or more disposition applications to HUD for the A.L. Krohn Homes (202 units, AZ1-8B) and Sidney P Osborn Homes (145 units, AZ1-7B) site in calendar year 2024 for the CNI Phase 3 and Phase 4 development and the expansion of Edison Park. The demolition application for Sidney P. Osborn Homes (145 units, AZ1-7B) was submitted in 2023 and the disposition application is anticipated to be submitted in calendar year 2024. The redevelopment of these sites and an off-site parcel in the neighborhood will occur in eight or nine phases with an estimated timetable as follows:

Construction Phasing Plan	Total Number of Units in the Phase	Est. Construction Start	Est. Construction Completion
Phase 1A and 1B (off-site parcel, now known as Soluna)	177	April 2020	April 2022
Phase 2A and 2B	235	June 2021	November 2023
Phase 3A and 3B	199	October 2023	December 2025
Phase 4A and 4B	364	October 2024	December 2026
Homeownership	44	April 2024	April 2026
TOTAL UNITS	1,016 (mix of replacement, affordable and market rent units)		

The Housing Department allocated 42 Section 8 Project-Based Voucher (PBV) at Soluna I and 33 Section 8 PBV units at Soluna II to serve as replacement public housing as part of its Edison-Eastlake Choice Neighborhoods Implementation Grant (Phases 1A and 1B as stated above) which is, located at

950 N. 20th St. Soluna I is a new construction, 111-unit multifamily rental community with 1-5 bedroom units while Soluna II, also new multifamily rental construction, contains 66 1-2 bedroom units. Both Soluna developments contain a mix of LIHTC, Section 8 PBV and market rents. Construction began in the first quarter of 2020 and was completed in April 2022. Replacement TPVs have been approved in conjunction with Soluna I and II, and all or a portion of the TPV units received may be project-based. Harmony at the Park (HATP) is a planned 325-unit mixed-income community to be developed in three phases. HATP One (Phase 2A), a 9% LIHTC development containing 120 units, was completed in February 2023. HATP Two (Phase 2B), a 4% LIHTC deal, includes 115 units and completed in December 2023. Section 8 PBV units have been allocated to these two phases as replacement units. A TPV application was approved for Harmony at the Park One (Phase 2A) in calendar year 2022 and a TPV application for Harmony at the Park Two (Phase 2B) was submitted and approved in calendar year 2023. TPV applications to be submitted for Harmony at the Park Three and Sidney P. Osborn Phase One in calendar year 2025. The Housing Department was awarded a 9% LIHTC allocation for Harmony at the Park Three (CN Phase 3B) in June 2022 and plans to submit a 4% LIHTC application for Horizon on Villa (CN Phase 3A) in 2024. Horizon on Villa will be a 109-unit multifamily residential rental community with 1-5 bedroom units that are a mix of LIHTC, Section 8 PBV, and market rate units. In 2023, the Housing Department applied for, and was awarded, a 9% LIHTC allocation for a portion of the Sidney P. Osborn (SPO) site (CNI Phase 4A), Phase One, that will include 115 mixed-income multifamily residential rental units. SPO Phase One will include 1-3 bedrooms units that are a mix of LIHTC, Section 8 PBV, and market rate units. Construction is anticipated to commence in June 2024. TPV applications will be submitted for these phases.

As part of Phase 3A, the Housing Department is preserving a courtyard of five buildings from the former A.L. Krohn public housing site as part of its Historic Preservation Treatment Plan. These buildings will undergo significant rehabilitation and will serve as a resident community center for educational services and other neighborhood programming. The Housing Department is also developing a plan to provide free Wi-Fi access throughout its community centers and in residential units.

As part of the Choice Neighborhoods housing development program, the Housing Department's development partner, Trellis, a nonprofit organization that provides homeownership counseling, financial access and neighborhood development, will construct 29 affordable and 15 market value townhome style homeownership units built on the former Frank Luke Homes public housing site to be known as Trellis at the Park. These homes will be adjacent to the proposed Linear Park and will range from 2-4 bedrooms. Construction is projected to begin in summer 2024.

If feasible, the Housing Department may implement one or more projects using the Faircloth to RAD process including the Phase IV of Aeroterra/Frank Luke Addition and other projects as feasible.

The Housing Department also intends to utilize RAD in conjunction with its Affordable Housing (non-public housing) portfolio by placing converted units at one or more of its affordable properties to create mixed-income, sustainable communities. If this occurs, these properties will apply through the Mixed Finance approval process as feasible.

of the public housing units being removed through Section 18 or Section 24. In conjunction with a Section 18 application for the Scattered Sites program (AMP 8, 187 units), the department may apply for Tenant Protection Vouchers.

In accordance with the Housing Opportunities Through Modernization Act (HOTMA), the Housing Departments PHA- owned units may be assisted under the PBV program without following a competitive process and the Housing Department may add eligible units within the same project to the Housing Assistance Payments (HAP) contract at any time during the term without being subject to any additional competitive selection procedures.

Units that may be vacant and require substantial renovations or units that have been selected for capital improvements will be placed in a modernization status for the duration of the renovation of the unit or length of the project until the certification of project completion is reached. Units at all RAD development sites may be put in a modernization status as necessary to complete any renovations needed before RAD conversion. The Housing Department placed all 108 units at Maryvale Parkway Terrace in modernization status to allow for capital improvements.

Other

The Housing Department intends to begin a community planning effort with residents of the Marcos de Niza affordable housing community (AMP 22, 374 units: a mix of 281 Public Housing and 93 Section 8 PBV). This community planning initiative will begin in calendar year 2024 and will focus on completing a community-driven Neighborhood Transformation Plan to guide the revitalization of Marcos de Niza and the surrounding neighborhood. Local City of Phoenix funding will be used to fund the effort along with any other funding sources available at that time. In addition, the Housing Department intends to apply for a Choice Neighborhoods Planning grant should a NOFO be released in the calendar year 2024 for the Marcos de Niza target public housing site.

On October 27, 2023, the Housing Department applied for \$10,000,000 in Pathways to Removing Obstacles to Housing (PRO Housing) HUD grant funds to further the efforts of the Housing Phoenix Plan and address significant barriers to housing production and preservation. If awarded, funds will be utilized to provide assistance to offset the permit and plan review fees associated with developing affordable housing in the City of Phoenix.

If the opportunity becomes available, the Housing Department may apply for any grants that would provide financial relief to the Department, provide additional funding for RAD conversions, or provide additional supportive services to residents that lead to resident self-sufficiency and/or enhanced quality of life.

If it is determined that any waiting list has sufficient applicants, the waiting list may be closed. If it is determined that any closed waiting list does not have sufficient applicants, the waiting list will be opened.

The Housing Department outsourced the management of the Section 8 Housing Choice Voucher Program during calendar year 2018 upon approval of the Assisted Housing Governing Board and the Phoenix City Council and will consider the potential for outsourcing more of its program functions.

The Housing Department may pursue any applicable waivers or use applicable waivers in place for Build America, Buy America (BABA) implementation.

In 2021 the City of Phoenix purchased a former hotel and entered into a lease with U.S. VETS to serve as their new location at 12027 N. 28th Dr. Phoenix, AZ 85029 with federal and non-federal funds. Initial rehabilitation was commenced by U.S. Vets with subsequent work in 2024 being overseen by the City of Phoenix. The renovations will be funded in part with a \$1,500,000 grant from the Consolidated Appropriations Act, 2022, under the congressionally-directed Economic Development Initiative-Community Project Funding (CPF), which was enacted on December 29, 2022. The renovation of the former 174-room Holiday Inn Hotel will create a facility offering both transitional and permanent housing for 198 homeless veterans on site, and provide services to up to 1,000 vulnerable and homeless veterans per year. The renovation will include conversion of hotel rooms to studio apartments with kitchenettes including cabinets, stovetop, sink, hood and refrigerator. Additionally, the common areas will include a full commercial kitchen, dining hall, multipurpose room, on site career center, counseling center, full laundry facilities, gym, telehealth rooms, and other common areas. U.S. VETS will be able to take Veterans off the street, provide them with a warm meal and a bed to sleep in, and opportunities for comprehensive support including mental and physical health, workforce training, benefit attainment, counseling, and peer mentoring that will ultimately assist them in obtaining permanent housing.

Progress Report

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan.

Goal: Promote decent affordable housing

- **Apply for all financially feasible opportunities to increase the overall size of the Housing Choice Voucher program**

The Housing Department was awarded 390 Emergency Housing Vouchers effective July 1, 2021 to individuals and families who are (1) homeless; (2) at risk of homelessness; (3) fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking or human trafficking; or (4) recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability. The Housing Department collaboration with the Maricopa Association of Governments (MAG) and Coordinated Entry to refer applicants and provide housing search and leasing assistance to eligible populations.

The Housing Department applied for and was awarded 50 additional Mainstream vouchers effective September 2022 and received 95 non-competitive incremental vouchers effective October 2022. The COPHD was awarded with 53 additional housing choice vouchers effective September 2023.

The Housing Department has applied to HUD for available allocation of Stability Vouchers (SVs). The Housing Department plans to administer the SVs serving homeless, at-risk of homelessness, those fleeing or attempting to flee domestic violence dating violence, sexual assault, stalking, or human trafficking, and veterans and families that include a veteran family member that meet one of the proceeding criteria. If awarded, the Stability Vouchers (SVs) will operate in the same manner as the Housing Department's tenant-based voucher program except as otherwise provided in the applicable HCV Administrative Plan chapter.

- **Continue working to include Housing Choice Vouchers as part of the design and redevelopment of City-owned properties.**

A non-profit co-developer was selected in calendar year 2021 through an RFP process to partner with the Housing Department for the redevelopment of Deck Park Vista now called The Moreland. This affordable housing redevelopment project is located in the Downtown Core, in an area of opportunity. Because of its location and amenities in a high opportunity area, The Moreland is approved as an off-site component of the Choice Neighborhoods grant and will utilize a minimum of 75 Section 8 Project-Based Vouchers the property with priority given to relocating Choice Neighborhoods residents. Construction is expected to begin in calendar year 2024.

Improve the quality and long-term viability of the Housing Department's current public housing properties by considering alternative funding strategies such as an optional conversion to Housing Choice Vouchers, Low-Income Housing Tax Credit, Rental Assistance Demonstration, Choice Neighborhood Initiative, Move to Work, project rehabilitation, or a combination of several strategies.

The Housing Department was awarded a \$20 million HOPE VI grant in 2011 to revitalize the former Frank Luke Addition (FLA) public housing community, now known as Aeroterra. In addition to the HOPE VI grant, Low Income Housing Tax Credits (LIHTC) were used to fund Phases I-III of the redevelopment. Phase I consists of 60 public housing units, serving seniors and persons with disabilities, was completed and occupied in December 2012. Phases II and III are a mix of 1 to 5 bedrooms that includes a combination of public housing, LIHTC, Section 8 project-based vouchers, and market rate units.

Phase II, with 56 units, was completed and 100% occupied in October 2016; Phase III includes 74 units and was completed in December 2016 and 100% occupied in May 2017. Phase 4 of the Aeroterra FLA HOPE VI project was the Summit Apartments, the off-site component of the grant. Fifty public housing units were placed at this property, which also has other affordable and market rate units. A major rehabilitation was funded at Summit using Neighborhood Stabilization Program (NSP) and HOPE VI funds. A final Phase V of the Aeroterra FLA HOPE VI grant, to add 60 mixed-income apartment units, is pending and likely to be completed in the next 3-5 years.

The Housing Department was awarded a Choice Neighborhoods Planning and Action grant in 2016 to create a comprehensive neighborhood transformation plan for the Edison-Eastlake Community (EEC) surrounding its East AMP, AZ001000003, that included 577 aged and obsolete public housing units. The Housing Department issued a Request for Proposals and selected developer Gorman & Company, a national affordable housing developer with experience in many of HUD's programs. Sidney P. Osborn Homes (145 units, AZ1-7B), A.L. Krohn Homes (202 units, AZ1-8B), and Frank Luke Homes (230 units, AZ1-2) are the target public housing sites for Choice Neighborhoods. The Housing Department and its partners gathered input and facilitated an extensive resident and community stakeholder planning process to create the EEC transformation plan, the One Vision Plan, that was submitted to HUD on June 28, 2018. The Planning and Action Grant is fully expended and pending close-out.

A Choice Neighborhoods Implementation Grant application was submitted in November 2017, and the Department was awarded \$30 million on July 6, 2018. In April 2023, the Housing Department submitted an application and was awarded a \$10 million Choice Neighborhoods Supplemental Grant to further support the development of replacement housing in conjunction with the Transformation Plan for the Edison-Eastlake Community. These funds will be used for the redevelopment of the

City's former A.L. Krohn Homes and Sidney P. Osborn public housing sites that will result in approximately 475 brand new units of mixed-income housing within the EEC. To help fill a remaining financial gap for planned replacement housing units, in 2024, the Housing Department will apply for a FY 2023 Supplemental Grant for \$2.5 million (or the maximum amount allowed) in additional funds to help offset development costs. The Department continues its work to fully implement the strategies outlined in the application, including a plan for the development of 1,016 mixed-income housing units (including 427 replacement public housing units) across the three target public housing sites as well as allocating 150 off-site Project-Based Vouchers in areas of opportunity to be utilized as replacement units (75 PBV to be allocated to The Moreland project and 75 PBV to be allocated to Central and Columbus project or another TBD project should this one not be feasible). Applications for Tenant Protection Vouchers (TPV) for 577 units were also submitted with the Implementation Grant application. Allocations of Choice Neighborhoods, Choice Neighborhoods Supplemental, Public Housing funds, Capital Fund Program, HOME, CDBG, ARPA, Section 18 Sales Proceeds, Affordable Housing funds and other local funds may be utilized in the development.

Demolition and disposition of the selected site(s) will occur in conjunction with plans for future LIHTC applications. The Choice Neighborhoods target properties in AMP 3 (Frank Luke Homes, A.L. Krohn Homes, and Sidney P. Osborn for 577 units are no longer part of the RAD Program and instead are subject to the Section 24 demolition/disposition process as part of the Edison-Eastlake Community Choice Neighborhoods revitalization program. The Housing Department submitted a Section 24 demolition application to HUD in calendar year 2020 for Frank Luke Homes (230 units, AZ1-2) and A.L. Krohn Homes (202 units, AZ1-8B). Demolition of Frank Luke Homes was completed in March 2021; AL Krohn Homes was demolished in August 2023. The Department submitted and received HUD approval for disposition applications for the replacement of Frank Luke Homes named Harmony at the Park One, Harmony at the Park Two in calendar year 2021, and Harmony at the Park Three in 2023. Additional disposition applications will be submitted in calendar year 2024 for the remaining portions of the demolished areas of Frank Luke Homes including the Linear Park and Trellis at the Park (homeownership component). The Housing Department will submit one or more disposition applications to HUD for the A.L. Krohn Homes (202 units, AZ1-8B) and Sidney P Osborn (145 units, AZ1-7B) site in calendar year 2024 for the CNI Phase 3 and Phase 4 development and the expansion of Edison Park. The demolition application for Sidney P. Osborn (145 units, AZ1-7B) was submitted in 2023 and the disposition application is anticipated to be submitted in calendar year 2024. The redevelopment of these sites and an off-site parcel in the neighborhood will occur in eight or nine phases with an estimated timetable as follows:

Construction Phasing Plan	Total Number of Units in the Phase	Est. Construction Start	Est. Construction Completion
Phase 1A and 1B (off-site parcel, now known as Soluna)	177	April 2020	April 2022
Phase 2A and 2B	235	June 2021	November 2023
Phase 3A and 3B	199	October 2023	December 2025
Phase 4A and 4B	364	October 2024	December 2026
Homeownership	44	July 2024	April 2026
TOTAL UNITS	1,016 (mix of replacement, affordable and market rent units)		

The Housing Department allocated 42 Section 8 Project-Based Voucher (PBV) at Soluna I and 33 Section 8 PBV units at Soluna II to serve as replacement public housing as part of its Edison-Eastlake Choice Neighborhoods Implementation Grant (Phases 1A and 1B as stated above) which is, located at

950 N. 20th St. Soluna I is a new construction, 111-unit multifamily rental community with 1-5 bedroom units while Soluna II, also new multifamily rental construction, contains 66 1-2 bedroom units. Both Soluna developments contain a mix of LIHTC, Section 8 PBV and market rents. Construction began in the first quarter of 2020 and was completed in April 2022. Replacement TPVs have been approved in conjunction with Soluna I and II, and all or a portion of the TPV units received may be project-based. Harmony at the Park (HATP) is a planned 325-unit mixed-income community to be developed in three phases. HATP One (Phase 2A), a 9% LIHTC development containing 120 units, was completed in February 2023. HATP Two (Phase 2B), a 4% LIHTC deal, includes 115 units and completed in December 2023. Section 8 PBV units have been allocated to these two phases as replacement units. A TPV application was approved for Harmony at the Park One (Phase 2A) in calendar year 2022 and a TPV application for Harmony at the Park Two (Phase 2B) was submitted and approved in calendar year 2023. TPV applications to be submitted for Harmony at the Park Three and Sidney P. Osborn Phase One in calendar year 2025. The Housing Department was awarded a 9% LIHTC allocation for Harmony at the Park Three (CN Phase 3B) in June 2022 and plans to submit a 4% LIHTC application for Horizon on Villa (CN Phase 3A) in 2024. Horizon on Villa will be a 109-unit multifamily residential rental community with 1-5 bedroom units that are a mix of LIHTC, Section 8 PBV, and market rate units. In 2023, the Housing Department applied for, and was awarded, a 9% LIHTC allocation for a portion of the Sidney P. Osborn (SPO) site (CNI Phase 4A), Phase One, that will include 115 mixed-income multifamily residential rental units. SPO Phase One will include 1-3 bedrooms units that are a mix of LIHTC, Section 8 PBV, and market rate units. Construction is anticipated to commence in June 2024. TPV applications will be submitted for these phases.

As part of Phase 3A, the Housing Department is preserving a courtyard of five buildings from the former A.L. Krohn public housing site as part of its Historic Preservation Treatment Plan. These buildings will undergo significant rehabilitation and will serve as a resident community center for educational services and other neighborhood programming. The Housing Department is also developing a plan to provide free Wi-Fi access throughout its community centers and in residential units.

As part of the Choice Neighborhoods housing development program, the Housing Department's development partner, Trellis, a nonprofit organization that provides homeownership counseling, financial access and neighborhood development, will construct 29 affordable and 15 market value townhome style homeownership units built on the former Frank Luke Homes public housing site to be known as Trellis at the Park. These homes will be adjacent to the proposed Linear Park and will range from 2-4 bedrooms. Construction is projected to begin in summer 2024.

As part of the Housing Department's ConnectHomeUSA initiative called PHX Housing Connect, we are working to implement free Wi-Fi access in all residential units and the community rooms at Monroe Gardens and Foothills Village. Monroe Gardens will also receive a Digital Navigator through a pilot program. Through PHX Housing Connect, the department will utilize American Rescue Plan Act funds to pilot free unit and community Wi-Fi access in the Edison-Eastlake Choice Neighborhoods Community, as well as other RAD/public housing/Section 8 sites including Marcos de Niza, and senior sites. The Housing Department is also working with the local electric company, Arizona Public Service (APS), to install solar carports as part of their Solar Communities Program where APS provides free solar-covered parking structures. The following properties have been approved for the Program: Soluna, Harmony at the Park One and Harmony at the Park Two. The Housing Department will apply for the Solar Communities Program for its remaining Choice Neighborhoods residential developments. Solar carport installations have been completed at Monroe Gardens, Washington Manor, Fillmore Gardens, Sunnyslope Manor, Summit and Marcos de Niza. This Program provides a discount on electricity to tenants and the property while supplying solar energy to the grid.

A non-profit co-developer was selected in calendar year 2021 through an RFP process to partner with the Housing Department for the redevelopment of Deck Park Vista now called The Moreland. This affordable housing redevelopment project is located in the Downtown Core, in an area of opportunity. Because of its location and amenities in a high opportunity area, The Moreland is approved as an off-site component of the Choice Neighborhoods grant and will utilize a minimum of 75 Section 8 Project-Based Vouchers the property with priority given to relocating Choice Neighborhoods residents. Construction is expected to begin in calendar year 2024.

- **Maintain all public housing properties at Public Housing Assessment System (PHAS) Standard Performer status.**

The Housing Department has maintained Standard Performer Status; however, additional considerations are:

As the Section 18 applications are approved and the homes are designated, these units do not impact our occupancy, but new units waiting for Section 18 application submittal and approval will be held and counted as “vacant” in preparation for sale. Accordingly, the occupancy score in AMP 8 is artificially low. Management is attempting to minimize the number of homes in this category by submitting Section 18 applications and requesting tenant protection vouchers. The Section 18 application HUD approval process has been approximately 8 months. As such, maintained occupancy cannot be expected to exceed 94% in AMP 8, even with every available unit occupied.

- **Continue to earn “High Performer” status for the Housing Choice Voucher program based on Section 8 Management Assessment Program (SEMAP)**

The Section 8 Program was notified that it achieved High Performer status on October 10, 2023.

Goal: Strengthen communities

- **Implement the Choice Neighborhoods grant program in the Edison-Eastlake Community (EEC), with the redevelopment of the East Asset Management Project (AMP), AZ001000003.**

The Housing Department was awarded a Choice Neighborhoods Planning and Action grant in 2016 to create a comprehensive neighborhood transformation plan for the Edison-Eastlake Community (EEC) surrounding its East AMP, AZ001000003, that included 577 aged and obsolete public housing units. The Housing Department issued a Request for Proposals and selected developer Gorman & Company, a national affordable housing developer with experience in many of HUD’s programs. Sidney P. Osborn Homes (145 units, AZ1-7B), A.L. Krohn Homes (202 units, AZ1-8B), and Frank Luke Homes (230 units, AZ1-2) are the target public housing sites for Choice Neighborhoods. The Housing Department and its partners gathered input and facilitated an extensive resident and community stakeholder planning process to create the EEC transformation plan, the One Vision Plan, that was submitted to HUD on June 28, 2018. The Planning and Action Grant is fully expended and pending close-out.

A Choice Neighborhoods Implementation Grant application was submitted in November 2017, and the Department was awarded \$30 million on July 6, 2018. In April 2023, the Housing Department submitted an application and was awarded a \$10 million Choice Neighborhoods Supplemental Grant to further support the development of replacement housing in conjunction with the Transformation Plan for the Edison-Eastlake Community. These funds are being used for the redevelopment of the

City's former A.L. Krohn Homes and Sidney P. Osborn public housing sites that will result in approximately 475 brand new units of mixed-income housing within the EEC. To help fill a remaining financial gap for planned replacement housing units, in 2024, the Housing Department will apply for a FY 2023 Supplemental Grant for \$2.5 million (or the maximum amount allowed) in additional funds to help offset development costs. The Department continues its work to fully implement the strategies outlined in the application, including a plan for the development of 1,016 mixed-income housing units (including 427 replacement public housing units) across the three target public housing sites as well as allocating 150 off-site Project-Based Vouchers in areas of opportunity to be utilized as replacement units (75 PBV to be allocated to The Moreland project and 75 PBV to be allocated to Central and Columbus project or another TBD project should this one not be feasible). Applications for Tenant Protection Vouchers (TPV) for 577 units were also submitted with the Implementation Grant application in 2017. Allocations of Public Housing funds, Capital Fund Program, HOME, CDBG, ARPA, Section 18 Sales Proceeds, General Obligation Bond funds, Affordable Housing funds and other local funds may be utilized in the development.

Demolition and disposition of the selected site(s) will occur in conjunction with plans for future LIHTC applications. The Choice Neighborhoods target properties in AMP 3 (Frank Luke Homes, A.L. Krohn Homes, and Sidney P. Osborn for 577 units) are no longer part of the RAD Program and instead are subject to the Section 24 demolition/disposition process as part of the Edison-Eastlake Community Choice Neighborhoods revitalization program. The Housing Department submitted a Section 24 demolition application to HUD in calendar year 2020 for Frank Luke Homes (230 units, AZ1-2) and A.L. Krohn Homes (202 units, AZ1-8B). Demolition of Frank Luke Homes was completed in March 2021; AL Krohn Homes was demolished in August 2023. The Department submitted and received HUD approval for disposition applications for the replacement of Frank Luke Homes named Harmony at the Park One, Harmony at the Park Two in calendar year 2021, and Harmony at the Park Three in 2023. Additional disposition applications will be submitted in calendar year 2024 for the remaining portions of the demolished areas of Frank Luke Homes including the Linear Park and Trellis at the Park (homeownership component). The Housing Department will submit one or more disposition applications to HUD for the A.L. Krohn Homes (202 units, AZ1-8B) and Sidney P Osborn Homes (145 units, AZ1-7B) site in calendar year 2024 for the CNI Phase 3 and Phase 4 development and the expansion of Edison Park. The demolition application for Sidney P. Osborn Homes (145 units, AZ1-7B) was submitted in 2023 and the disposition application is anticipated to be submitted in calendar year 2024. The redevelopment of these sites and an off-site parcel in the neighborhood will occur in eight or nine phases with an estimated timetable as follows:

Phase 1A and 1B (off-site parcel, now known as Soluna)	177	April 2020	April 2022
Phase 2A and 2B	235	June 2021	November 2023

Choice Neighborhoods Implementation Grant (Phases 1A and 1B as stated above) which is, located at 950 N. 20th St. Soluna I is a new construction, 111-unit multifamily rental community with 1-5 bedroom units while Soluna II, also new multifamily rental construction, contains 66 1-2 bedroom units. Both Soluna developments contain a mix of LIHTC, Section 8 PBV and market rents. Construction began in the first quarter of 2020 and was completed in April 2022. Replacement TPVs have been approved in conjunction with Soluna I and II, and all or a portion of the TPV units received may be project-based. Harmony at the Park (HATP) is a planned 325-unit mixed-income community to be developed in three phases. HATP One (Phase 2A), a 9% LIHTC development containing 120 units, was completed in February 2023. HATP Two (Phase 2B), a 4% LIHTC deal, includes 115 units and completed in December 2023. Section 8 PBV units have been allocated to these two phases as replacement units. A TPV application was approved for Harmony at the Park One (Phase 2A) in calendar year 2022 and a TPV application for Harmony at the Park Two (Phase 2B) was submitted and approved in calendar year 2023. TPV applications to be submitted for Harmony at the Park Three and Sidney P. Osborn Phase One in calendar year 2025. The Housing Department was awarded a 9% LIHTC allocation for Harmony at the Park Three (CN Phase 3B) in June 2022 and plans to submit a 4% LIHTC application for Horizon on Villa (CN Phase 3A) in 2024. Horizon on Villa will be a 109-unit multifamily residential rental community with 1 -5 bedroom units that are a mix of LIHTC, Section 8 PBV, and market rate units. In 2023, the Housing Department applied for, and was awarded, a 9% LIHTC allocation for a portion of the Sidney P. Osborn (SPO) site (CNI Phase 4A), Phase One, that will include 115 mixed-income multifamily residential rental units. SPO Phase One will include 1-3 bedrooms units that are a mix of LIHTC, Section 8 PBV, and market rate units. Construction is anticipated to commence in June 2024. TPV applications will be submitted for these phases.

As part of Phase 3A, the Housing Department is preserving a courtyard of five buildings from the former A.L. Krohn public housing site as part of its Historic Preservation Treatment Plan. These buildings will undergo significant rehabilitation and will serve as a resident community center for educational services and other neighborhood programming. The Housing Department is also developing a plan to provide free Wi-Fi access throughout its community centers and in residential units.

As part of the Choice Neighborhoods housing development program, the Housing Department's development partner, Trellis, a nonprofit organization that provides homeownership counseling, financial access and neighborhood development, will construct 29 affordable and 15 market value townhome style homeownership units built on the former Frank Luke Homes public housing site to be known as Trellis at the Park. These homes will be adjacent to the proposed Linear Park and will range from 2-4 bedrooms. Construction is projected to begin in summer 2024.

As part of the Housing Department's ConnectHomeUSA initiative called PHX Housing Connect, we are working to implement free Wi-Fi access in all residential units and the community rooms at Monroe Gardens and Foothills Village. Monroe Gardens will also receive a Digital Navigator through a pilot program. Through PHX Housing Connect, the department will utilize American Rescue Plan Act funds to pilot free unit and community Wi-Fi access in the Edison-Eastlake Choice Neighborhoods Community, as well as other RAD/public housing/Section 8 sites including Marcos de Niza, and senior sites. The Housing Department is also working with the local electric company, Arizona Public Service (APS), to install solar carports as part of their Solar Communities Program where APS provides free solar-covered parking structures. The following properties have been approved for the Program: Soluna, Harmony at the Park One and Harmony at the Park Two. The Housing Department will apply for the Solar Communities Program for its remaining Choice Neighborhoods residential developments. Solar carport installations have been completed at Monroe Gardens, Washington Manor, Fillmore Gardens, Sunnyslope Manor, Summit and Marcos de Niza. This Program provides a discount on electricity to tenants and the property while supplying solar energy to the grid.

A non-profit co-developer was selected in calendar year 2021 through an RFP process to partner with the Housing Department for the redevelopment of Deck Park Vista now called The Moreland. This affordable housing redevelopment project is located in the Downtown Core, in an area of opportunity. Because of its location and amenities in a high opportunity area, The Moreland is approved as an off-site component of the Choice Neighborhoods grant and will utilize a minimum of 75 Section 8 Project-Based Vouchers the property with priority given to relocating Choice Neighborhoods residents. Construction is expected to begin in calendar year 2024.

The Housing Department received a \$1 million Byrne Criminal Justice Innovation Grant to support data-driven, comprehensive, and community-oriented strategies to reduce crime in the Edison-Eastlake Community (EEC), Phoenix's Choice Neighborhoods target area. Through a broad cross-sector partnership team, including neighborhood residents, business and stakeholders, Phoenix Police, and Arizona State University, the Housing Department will employ a wide range of crime prevention and intervention strategies to address EEC conditions to reduce crime, spur revitalization, and build community-police collaboration.

The Housing Department was awarded a 2019 Capital Fund Emergency Safety and Security Grant in April 2021 in the amount of \$250,000. The funds were used at Pine Tower Apartments (AMP 7, 156 units) for exterior lighting improvements and the installation of security monitoring systems and at Maryvale Parkway Terrace (AMP 5, 108 units) for exterior lighting improvements and the installation of security monitoring systems, fire alarm/carbon monoxide improvements, and exterior door and gate replacements. These improvements were completed in the 4th Quarter of 2022.

The Housing Department intends to begin a community planning effort with residents of the Marcos de Niza affordable housing community (AMP 22, 374 units: a mix of 281 Public Housing and 93 Section 8 PBV). This community planning initiative will begin in calendar year 2024 and will focus on completing a community-driven Neighborhood Transformation Plan to guide the revitalization of Marcos de Niza and the surrounding neighborhood. Local City of Phoenix funding will be used to fund the effort along with any other funding sources available at that time. In addition, the Housing Department intends to apply for a Choice Neighborhoods Planning grant should a NOFO be released in the calendar year 2024 for the Marcos de Niza target public housing site.

- **As opportunities arise, purchase or acquire suitable units to add to the affordable housing portfolio.**

The Housing Department worked with another City Department and acquired two parcels on June 8, 2021. These parcels are located adjacent to Housing's Ambassador West affordable housing property in the Downtown core. The Housing Department intends to use these parcels for future development of affordable or mixed income housing within downtown Phoenix.

In 2019, the Housing Department acquired a vacant lot from Maricopa County in the Edison-Eastlake Choice Neighborhoods target area for housing development. The lot has since been developed into Soluna I and Soluna II, representing 177 units of replacement multifamily rental housing.

- **Work with local developers to create mixed income communities in high opportunity areas of Phoenix.**

A non-profit co-developer was selected in calendar year 2021 through an RFP process to partner with the Housing Department for the redevelopment of Deck Park Vista now called The Moreland.

This affordable housing redevelopment project is located in the Downtown Core, in an area of opportunity. Because of its location and amenities in a high opportunity area, The Moreland is approved as an off-site component of the Choice Neighborhoods grant and will utilize a minimum of 75 Section 8 Project-Based Vouchers the property with priority given to relocating Choice Neighborhoods residents. Construction is expected to begin in calendar year 2024.

As part of the Housing Phoenix Plan, a list of city-owned properties has been designated for future affordable housing development. The Housing Department will partner to develop mixed-income communities on several of these parcels.

- **Increase the number of partnerships with agencies who serve populations affected by the Violence Against Women Act.**

The HSS program has developed a partnership with the Community Assistance Program Crisis Response, City of Phoenix Family Advocacy Center, and the Arizona Coalition Against Domestic Violence. HSS will pursue partnerships with Terros and La Frontera who provide counselling services for victims of domestic violence.

HSS collaborates with AmeriCorps and AmeriCorps Vista, hosting an Arizona State University Master Level Social Work intern as part of the Survivor Link Initiative. This initiative places domestic violence advocates statewide, fostering support networks. The intern, dedicated to community service, focuses on healthy relationships, domestic violence education, identification, and trauma-informed interventions.

HSS partners with community partners, Fulfillment in Training (FIT) and Arizona State University Director of Sex Trafficking Intervention and Research, Dr. Dominique Roe Sepowitz to provide education and awareness activities. ASU and FIT are combining academics with grassroots engagement to create a resilient community that is well imposed and proactive in preventing Human Trafficking.

- **Fully implement Envision Center to increase services to improve participant employability, health and education.**

The Aeroterra Community Center officially concluded its HUD EnVision Center designation in November 2022. Despite this transition, the center maintains unwavering commitment to the EnVision Center's four pillars: Economic Empowerment, Educational Advancement, Health and Wellness, and Character and Leadership. Functioning as an affiliate ARIZONA@WORK site and boasting a robust network of over 100 partners through the Housing Coalition of Service Providers, the center offers a diverse array of resources that serves the Edison Eastlake Community that includes Aeroterra and the new Choice apartments Soluna I and II and Harmon I and II. These resources include employment and education assistance facilitating participants' enrollment in training programs and securing employment with a living wage. Additionally, the center provides health and wellness services, featuring a monthly pantry, immunizations, on-site mental health services, and biometric screening. Leadership and character programming are also prominent, offering leadership training and facilitating a Resident Leadership Council.

Among the key agencies involved are ARIZONA@WORK Phoenix, Valle del Sol, Gateway Community College, College Depot, Phoenix Revitalization Corporation, Arizona Facts of Life, Early Head Start and Head Start, Friendly House, St. Mary's Food Bank, Maricopa County Department of Mental Health, University of Arizona Mobile Health Unit, and the library's StartUp Phoenix program. Services span

employment preparations, job search assistance, resume support, job training, GED and ELLA classes, health and nutrition programs, community leadership opportunities, youth leadership initiatives, mobile pantry services, budget classes, and entrepreneurial programming.

Complementing this extensive programming, the center operates a smaller satellite facility down the street known as "The First Things First Aeroterra Family Resource Center," catering to families with children ages 0 and beyond.

- **Coordinate partner efforts to increase independence for the elderly and persons with disabilities.**

The HSS program maintains a partnership with Area Agency on Aging. The Area Agency on Aging provides Essential Care boxes, a 24-hour senior HELP line, Elder Resource Guide, Adult Protective Services Care Coordination, Senior Adult Independent Living services and other services that assist the elderly. Other HSS partnerships include but are not limited to: St. Mary's Food Bank, in collaboration with the Commodity Supplement Food Program (CSFP); Tanner Community Development Corporation; and Plus One Ministry. Gregory's Fresh Market provides food services for senior and disabled residents; Arizona State University College of Nursing and Health Innovation provides nursing clinics at the senior housing sites; Advance Communities provides Diabetes Health Education; Dress for Success's Generations Combined program has provided socialization support to seniors at designated sites; University of Arizona College of Public Health and CVS Project Health provides mobile prevention units staffed with nurses to conduct health screenings, provide education, and administer vaccinations at all senior housing sites. Vaccinations are additionally provided by Maricopa County Public Health Department and the Phoenix Fire Department. Tablets were distributed to all senior Heads of Household at all Senior Housing sites with 2-year wi-fi service for internet connectivity, which was extended for an additional two years. Education and training on how to use the tablets was provided. The tablets have given homebound seniors and those with limited mobility and/or no transportation, access to telehealth appointments, online banking and bill pay, connection to families, email, and other services.

Goal: Increase Homeownership Opportunities

- **Continuously sell Scattered Sites homes to low-income families, with special attention to participants in assisted housing programs, via a Section 32 plan and program.**

On August 1, 2016, the Housing Department received approval from the Special Applications Center of the U.S. Department of Housing and Urban Development, application DDA0001328, to add 199 single-family homes to the existing Section 32 Homeownership Program. All other conditions of the original approval dated June 28, 2006, and subsequent amendments remain as approved. Since the approval of the amendment on August 1, 2016, the department has sold one hundred sixty-seven (167) single-family homes, with eighteen (18) sold to existing residents. Since inception, the department has sold two hundred and twenty (220) homes, with forty-two (42) sold to existing residents.

- **Provide affordable homeownership opportunities through the Choice Neighborhoods program in the Edison-Eastlake Community (EEC) and through other programs.**

As part of the Edison-Eastlake Choice Neighborhoods housing development program, 44 units of affordable (29) and market rate (15) townhome style homeownership units will be built on the former Frank Luke Homes public housing site. These townhomes will range from 2-4 bedrooms and will be located adjacent to the proposed new Linear Park and will range from 2-4 bedrooms.

- **Sell 130 Scattered Sites homes via a Section 18 Plan and Program;**

There are 96 single-family homes identified to sell through the Section 18 program. The initial Section 18 phase I contained thirty-four (34) identified vacant units which did not require resident relocation and were sold in “as is” condition with minimal rehabilitation. After approval was received in August 2020, the department began selling the units in February 2021; Phase I was complete December 2021. The price of each unit was established based upon an independent appraisal and listed on the Arizona Regional Multiple Listing Service (MLS).

On August 23, 2022, the Housing Department received approval from the US Department of Housing and Urban Development (HUD) for Phase II of the disposal of up to twenty-nine (29) Scattered Sites AZ001000008 (AMP 08), under Section 18 of the US Housing Act in 2022. After approval was received in August 2022, the department began selling the units in March 2023; Phase II was completed September 2023. The price of each unit was established based upon an independent appraisal and listed on the Arizona Regional Multiple Listing Service (MLS).

In 2023, the Housing Department submitted six (6) Scattered Sites AZ001000008 (AMP 08), under Section 18 of the US Housing Act in 2023, due to the distance between units, the lack of uniformity of systems and the unsustainability to operate and maintain the units as public housing.

- **Utilize HOME funds for a down payment assistance and housing counseling program.**

A Request for Proposals was conducted for the Housing Department’s Open Doors Homeownership Program utilizing HOME Investment Partnerships (HOME) Program funding and two non-profit program administrators were selected. The program is now underway with three first time homebuyers served since program inception. We anticipate approximately 15 Phoenix households to be served through June 30, 2025, with over 50 new homeownership opportunities for Phoenix residents created over the life of the program.

- **Ensure that all homeownership training classes offer education about avoiding predatory lending practices.**

All Section 32 Homeownership applicants attend eight (8) hours of HUD approved financial counseling, which includes how to avoid predatory lending.

All Open Doors Homeownership applicants attend eight (8) hours of HUD approved financial counseling, which includes how to avoid predatory lending.

The Housing Department collaborates with the Maricopa Association of Governments (MAG) and Coordinated Entry to refer applicants and provide housing search and leasing assistance to eligible populations.

- **Develop and implement a "Moving On" strategy to assist households living in permanent supportive housing with securing other housing solutions.**

The Housing Department is exploring "Moving On" strategies to assist households living in permanent supportive housing with securing other housing solutions. Additionally, the Housing Department is collaborating with other City departments on these strategies. Currently, HSS provides a program to serve the youth living in permanent supportive housing. This program provides resources to provide both an afterschool program and other resources to keep youth successfully in school. All families are case managed by the Human Services Department. This program provides intensive case management. Each caseworker has a caseload of only 16 families each. Adult participants can enroll in the Family Self Sufficiency Program (FSS). FSS is a HUD program that enables HUD-assisted families to increase their earned income and reduce their dependency on welfare assistance and rental subsidies. FSS promotes local strategies to connect HUD-assisted families with public and private resources that help them progress toward economic independence.

- **Increase partnerships with agencies who serve homeless and other special needs populations.**
