

City of Phoenix

CPTI Community Listening Sessions

The Community and Police Trust Initiative (CPTI) was formed by the city manager in 2015 to review police-community relations which affect all residents. The initiative was composed of 17 community members carefully selected by the city manager to represent the residents of Phoenix, including those from the disability, immigrant, LGBT, millennial and refugee identity. After a nine month process, they presented city leadership with 15 recommendations to enhance the Phoenix Police Department's relationship with those they serve. The public is invited to learn about the recommendations and provide feedback. Representatives from the City Manager's Office and the Phoenix Police Department will be in attendance at all events. All sessions will have translation service available and are ADA accessible.
