MEDIA ADVISORY

Date/Time: November 10, 2024 around 2:45 p.m.
Incident: 2024-1663007
Location: 51st Avenue and Baseline Road
Victim: Pregnant adult female – woman expected to survive, fetus deceased

Multiple Vehicle Collision in Southwest Phoenix

(November 11, 2024): Phoenix police are investigating a collision that sent three people to the hospital and left a fetus deceased.

Officers were called to a vehicle collision just before 2:45 p.m. in the area of 51st Avenue and Baseline Road. When officers arrived, they found four vehicles involved in a collision. The fire department responded and transported three people to the hospital, including a pregnant female. Once at the hospital the three adults were stabilized, however, the fetus inside the pregnant female died while at the hospital.

Detectives responded to investigate the collision. Preliminary information indicates a vehicle was heading southbound on 51st Avenue when it failed to stop for a red light at Baseline Road and rear-ended an SUV stopped at the light. Due to the collision, the SUV was pushed forward and caused two other cars to be rear-ended. The pregnant woman was a passenger in that initial vehicle that failed to stop at the light. Current information suggests speed was a factor.

The investigation remains active as detectives continue to process the evidence. A charging decision will be made at the conclusion of the investigation.
