Subject: New Year's Eve Celebration

Bringing in The New Year

Phoenix patrol officers will be in the community answering calls for service as Phoenix rings in the new year.

We understand celebratory legal fireworks will be prevalent across our city. It is strongly encouraged to practice safe handling of fireworks to prevent injuries or emergency responses. Many safety tips can be found [here](#).

It is a criminal violation to use or possess illegal fireworks, a list of these prohibited items can also be found at www.phoenix.gov

Celebratory shooting of firearms in city limits is also a felony crime punishable by up to 2-years in prison.

As the public celebrates the start of 2025, the Phoenix Police Department expects a high volume of calls to come into our 911 system. It is important to remember 911 is to be used for emergencies only, all other calls can be handled by the Department's non-emergency line, (602) 262-6151.
