

Neighborhood Notification: Bicycle Improvements on Central Avenue from Bell Road to Union Hills Drive

As part of the Street Transportation Department's core mission, we strive to improve the City's roadways to create a safe and efficient transportation network. Our ongoing pavement maintenance program provides opportunities to change the current traffic lane striping to improve safety for people who walk, drive, ride bicycles and use transit.

About the Project

Where: Central Avenue from Bell Road to Union Hills Drive

What: Where there is enough space on the roadway, buffers will be added to existing bike lanes. The number of travel lanes will remain the same. No parking will be removed.

When: Pavement maintenance (new asphalt) is planned for Spring 2024 and traffic lane improvements will happen shortly after.

Why: Buffered bike lanes add space between people driving and people walking or biking for increased protection from vehicles, improved safety and added comfort. Additionally, the slight narrowing of the lane widths to accommodate the buffered bike lanes will help to guide cars and deter speeding.

What will the Project Look Like?

Bell Rd to S/O Danbury Dr

Current Travel Lanes
(Parking allowed west side)

S/O Danbury Dr to S/O Helena Dr

Current Travel Lanes
(Parking allowed west side)

Bell Rd to S/O Helena Dr

Proposed Travel Lanes

S/O Helena Dr to Grovers Ave

Current Travel Lanes
(No Parking Allowed)

S/O Helena Dr to Grovers Ave

Proposed Travel Lanes

Grovers Ave to Union Hills Dr

Current Travel Lanes
(No Parking Allowed)

Grovers Ave to Union Hills Dr

Proposed Travel Lanes
