

Neighborhood Notification: Bicycle Improvements on Pinnacle Vista Drive from Pyramid Peak Pkwy to Inspiration Mtn Pkwy

As part of the Street Transportation Department’s core mission, we strive to improve the City’s roadways to create a safe and efficient transportation network. Our ongoing review of street design provides opportunities to change the current traffic lane striping to improve safety for people who walk, drive, ride bicycles and use transit.

About the Project

Where: Pinnacle Vista Drive from Pyramid Peak Parkway to Inspiration Mountain Parkway

What: Where there is enough space on the roadway, buffers will be added to existing bike lanes. The number of travel lanes will remain the same. The project does not remove or add parking.

When: Pavement maintenance (new asphalt) is planned for Spring 2024 and traffic lane improvements will happen shortly after.

Why: Buffers add space between people driving and people walking or biking for increased protection from vehicles, improved safety and added comfort. Additionally, the slight narrowing of the lane widths to accommodate the buffers will help to guide cars and deter speeding.

What will the Project Look Like?

Travel Lanes from Pyramid Peak Pkwy to 58th Lane
