# SUSTAINABILITY OFFICERS RESOURCES

Helpful Information and Resources

Sustainability Officers attending orientation at Phoenix City Hall

## WHAT IS A SUSTAINABILITY OFFICER?

Sustainability Officers are elected student leaders, who oversee, educate, and incorporate sustainable practices on their high school campuses.

The position is part of student council, though Sustainability Officers may be appointed from elsewhere, including highly active environmental clubs, if necessary.

Sustainability Officers "green" their schools by finding sustainable alternatives and bettering their school environment. They work with the community to create events promoting sustainable practices.
