

Camelback Post-Acute Care and Rehabilitation is dedicated to our residents.

We strive every day to be the skilled nursing facility of choice in our community, so we make sure that each day residents spend with us is filled with the caliber of service that will make their stay comfortable, safe, and therapeutic. Many of the residents at Camelback have lived in Phoenix their entire life and have contributed and supported the Phoenix community.

Come Join the NET You will be glad you did!

Join the Neighborhood Enrichment Team (NET)

Developing community partnerships to enrich the quality of life of nursing home residents by incorporating community resources into resident-selected facility programming.

A Win-Win Situation

The NET Purpose

The NET program is designed to help nursing home residents connect with our community.

By joining with community partners like you, residents can participate more in activities and programs that are important and bring value to their lives.

You can make a vital difference in the quality of life of nursing home residents by participating in this program and donating your resources and services.

Making a Difference

Your participation will be invaluable in enriching the lives of our nursing home residents by providing them with the opportunity to expand their current sphere of involvement and interactions.

Benefits to Our Residents

- Develop relationships.
- Reduce isolation.
- Feel included.
- Develop skills.

Benefits to Your Organization

- Satisfaction of helping others and giving back.
- Enhancing awareness of your business.
- Promoting a sense of community.
- Cultivating networking opportunities.
- Possible tax deductions.

Who Makes Up the NET?

Camelback Post-Acute Care and Rehabilitation

Is a skilled nursing facility that achieved a 5-star rating for the quality of care provided. We are one of only four chosen out of over 15,000 facilities across the nation to participate in this new program.

Health Services Advisory Group (HSAG)

The Medicare Quality Innovation Network-Quality Improvement Organization (QIN-QIO) in Arizona and California, and is part of one of the largest federal programs dedicated to improving Medicare beneficiary healthcare quality at the local level. We are a trusted partner that brings providers and communities together to improve resident care.

Community Partners

Valued businesses like yours that can offer programs, activities, and valuable services to nursing home residents.
